

James Spencer, MD: Leading the Way in Dermatological Excellence in Sarasota, Florida

Combining Expertise in Cosmetic Dermatology and Skin Cancer Treatment at the Academic Alliance in Dermatology

New York City, New York Jan 15, 2025 ([Issuewire.com](https://www.issuewire.com)) - James Spencer, MD, a distinguished board-certified dermatologist, is making waves in the field of dermatology with his exceptional expertise in cosmetic dermatology, MOHS surgery, skin cancer treatment, and innovative skin resurfacing therapies. At his esteemed private practice, Academic Alliance in Dermatology, located in the heart of Sarasota, Florida, Dr. Spencer is dedicated to providing top-tier care and cutting-edge treatment options

to his patients.

Dr. Spencer graduated with his Medical Degree from the prestigious Columbia University Vagelos College of Physicians and Surgeons in New York City in 1988. He then furthered his expertise by completing a fellowship in Mohs Surgery under the mentorship of Dr. Rex Amonette. His commitment to excellence in dermatology led him to serve as the Director of MOHS and Dermatologic Surgery at the Icahn School of Medicine at Mount Sinai in New York City, where he was also a Professor of Clinical Dermatology.

As a diplomat of the American Board of Dermatology, Dr. Spencer adheres to the highest standards of patient care and safety. His leadership capabilities are reflected in his past presidency of the American Society of Cosmetic Dermatology and Aesthetic Surgery, his role on the Board of Directors of the American Academy of Dermatology, and his editorial positions with the Journal of Drugs in Dermatology and the Journal of Cosmetic Dermatology.

In addition to his clinical practice, Dr. Spencer is a Co-Chairman of the National Council for Skin Cancer Prevention and maintains an esteemed affiliation with St. Anthony's Hospital. His commitment to advancing dermatological care is evident through his extensive involvement in clinical research, education, and public speaking engagements. He has co-edited a comprehensive book, authored numerous book chapters, and published over 100 scientific articles.

With a keen interest in lasers and cosmetic therapies, Dr. James Spencer continues to push the boundaries of dermatology, ensuring that his patients receive the most innovative and effective treatments available.
