Houston, Texas Jan 26, 2025 ([Issuewire.com](https://www.Issuewire.com)) - Acclaimed author and creator Joy Harris-Bird is proud to announce the release of her latest novella, *Love Letters to My Soul*, set to debut on **February 11, 2025**. This compelling story explores themes of grief, family, and self-discovery, offering readers an emotional journey that is both heartbreaking and inspiring.

In *Love Letters to My Soul*, Serena Daniels-James is a woman searching for healing after a devastating miscarriage shakes the foundation of her life. As she seeks solace within her family, she uncovers long-buried secrets that force her to question her identity, her faith, and the strength she thought she had lost. This story resonates with anyone who has faced life's toughest challenges, reminding readers that even in the cracks of brokenness, there is space to bloom.

"Writing this book was an emotional experience," says Harris-Bird. "I wanted to create a story that speaks to the resilience and strength we often don't realize we have until we're tested. *Love Letters to My Soul* is a reflection of the hope and healing that's possible when we confront our pain."

Love Letters to My Soul will be available on Amazon in Kindle and paperback formats starting **February 11, 2025**. Readers are invited to experience this deeply moving story of love, loss, and hope.

About the Author

Joy Harris-Bird is an author and creator passionate about crafting narratives that inspire and uplift. Through her storytelling, Harris-Bird explores themes of faith, family, and the transformative power of resilience.
