

## Magician Lex The Illusionist Mentalist Brings Magic to the Stage and Zoom Virtual Meetings

A top corporate performer in that specializes in Zoom doing close up Magic, stage magic, mentalism and more is once again available for events in Los Angeles and across the world both on and off video chat.

**West Hollywood, California Jan 6, 2025 ([Issuewire.com](https://www.issuewire.com))** - Those familiar with Los Angeles entertainment know the key players in the industry. [Magician Lex the Illusionist Mentalist](#) in Hollywood, CA is showcasing work more than most in the industry with time to spare for the weekend gigs. [Penn & Teller](#) have been seen on Instagram praising his work.

An accomplished performer for several television networks and the hotel industry, Lex is one of the best performers in Los Angeles. He was trained in the art of magic and mentalism in Las Vegas by a Caesar's Palace headliner, Jeff McBride for years being mentored.

Some of his past clients include Forbes, Netflix, Universal Studios and more. He has been seen performing for The Spice Girls, Simple Plan, and more. As the former Vice President of The International Brotherhood of Magicians of Hollywood Ring 21, he has had the unique opportunity to have

performed over 3,052 shows for audiences as small as 3, and as large as 3,000. From using fire in his acts to make objects appear or large boxes of appearing people, [Magician Lex The Illusionist Mentalist](#) is the choice for Los Angeles corporate events, galas, or a private soi-rée.

Prior to that he was in the U.S. Army and received two college degrees. He's been doing card illusions since his father showed him a deck of cards on a family road trip outside a Cirque du soleil acrobatic show on the Las Vegas strip. Now he also does mentalism, stage illusions, corporate speaking, and professional emcee services.

He performs weekly behind two sets of hidden doors at Maison Kasai and Mr. Wanderlust inside Level 8 at the Moxy Hotel across the street from the Los Angeles Crypto Arena, the home of the LA Kings, LA Lakers, and LA Clippers.

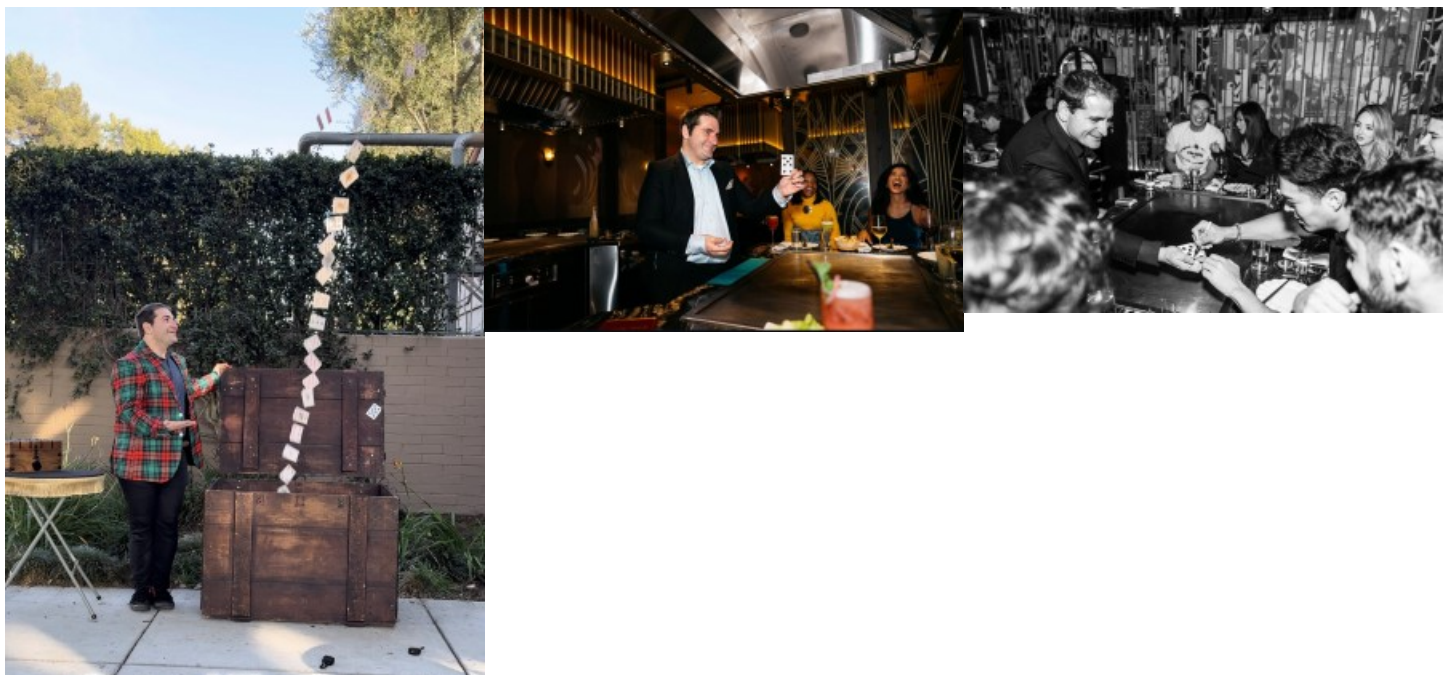

On the weekends he has made himself available for private shows in Los Angeles and across the world. Those in Los Angeles have the opportunity to hire him for a live performance at corporate events, weddings, birthdays, and all other celebrations.

For clients that have Zoom meetings or are unable to cover the cost of travel/lodging, he offers the option to see a magic show by video chat on Zoom, which like some in person shows, uses a secret stage assistant to make the magic happen. Or in this case, a computer tech assistant.

Lots of clients want a big show. For this demand to be met, a brand new stage show has been developed. A female stage assistant is hired that will allow large [box illusion magic](#) to be seen. Sometimes this is performed by a fellow magician or even a professional aerialist and fire performer.

Claim the opportunity to hire Magician Lex The Illusionist Mentalist for your event before the opportunity disappears.
