

## Naira Marley Set to Release Highly Anticipated Track "Pussy Drip" on February 2nd, 2025

**Lekki, Lagos Jan 30, 2025 ([IssueWire.com](https://www.issuewire.com))** - Marlians Record's boss, Naira Marley, is set to take the music world by storm with his electrifying new single, *"Pussy Drip"*, which will drop on February 2nd, 2025. As a trailblazer of Afrobeat, street hop, and Nigerian music culture, Naira Marley continues to push the boundaries of sound with this bold release, making it one of the most awaited tracks of the year.

Known for his unapologetic style and infectious energy, Naira Marley once again delivers a track that will capture the hearts of his millions of fans worldwide. The song promises to be a high-energy anthem, filled with the unrelenting charisma that fans have come to expect from the *Soapy* hitmaker.

***"Pussy Drip" is the sound of the streets, a celebration of confidence, unapologetic swagger, and pure vibes. I'm just giving my fans something they can dance to and vibe with. I can't wait for you all to hear it!"*** – Naira Marley

The track will be available for download and streaming on major platforms including Audiomack,

Spotify, and Apple Music, making it easy for music lovers around the world to enjoy. The release is expected to become a global hit, with Naira Marley's loyal fanbase — the Marlians — driving the song's success through social media and live performances.
