

## New Album Release: "Falling In Love" by JAJA

Falling In Love Just Got Easier

**Atlanta, Georgia Jan 8, 2025 ([Issuewire.com](https://www.issuewire.com))** - JAJA The Musical Artist, released the "Falling In Love" album on December 17, 2024.

JaJa is an American artist who creates love songs which meld pop with various other trending styles. Songs on the "Falling In Love" album with varying styles mingled with Pop include the song "Gonna Make My Stand" which has a country influence and is about the moment the right person comes into

your life. The song "Always Love You" mingles influences from a variety of styles including Pop, R&B and others creating a unique style with soulful melodies defining loyal and devoted love.

Listeners said they found the lyrics catchy and easy to relate to their own love lives. Listener Comments include they "absolutely love the album", they "play it at work" and "liked it so much"

On the "Falling In Love" album, there are 14 tracks, including two electronic dance songs plus a bonus commentary track, where JAJA shares a special message for her fans.
