

S&IB Services Announces Major Expansion Plans, Targeting 50,000 Employees by 2025

kolkata, West bengal Jan 19, 2026 ([Issuewire.com](https://www.issuewire.com)) - S&IB Services Private Limited, a leader in total security solutions and facility management services, has unveiled ambitious expansion plans, aiming to reach a workforce of 50,000 employees by 2025. This move marks a significant milestone in the company's 37+ years of service excellence and is a reflection of its commitment to addressing the growing demand for skilled professionals across India.

Founded in 1985 by Mr. Shyamal Karmakar, [S&IB Services](https://www.issuewire.com) has built a strong reputation in providing a broad range of services, including security, logistics, housekeeping, payroll management, and more. With a current team of approximately 35,000 personnel across 6,500 locations nationwide, the company is poised to strengthen its presence and impact through its expansion.

Driving Employment and Growth

As part of its strategic growth plan, S&IB Services aims to create thousands of new job opportunities, particularly for underprivileged youth in India. The company is focused on empowering communities and contributing to the socio-economic development of the country by providing quality employment across diverse sectors.

“We are proud of the journey we have undertaken over the past three decades. Our expansion is fueled by our mission to create more job opportunities, develop skill sets, and promote social responsibility,” said Mr. Shyamal Karmakar, Managing Director of S&IB Services. “With our focus on ethical and transparent practices, we aim to further cement our position as a trusted brand and leader in the services industry.”

Commitment to Quality and Excellence

S&IB Services has always been at the forefront of offering innovative and reliable solutions to its clients. With an established presence across multiple service sectors, the company is recognized for delivering high-quality services and maintaining ISO-certified standards.

The company's service offerings span across corporate security services, integrated facility management, outsourced banking services, mobile tower erection and maintenance, logistics, housekeeping, and IT/IOT solutions. This diverse portfolio has helped S&IB Services build a strong, loyal client base while continuously evolving to meet changing industry demands.

Focus on Human Capital

A central aspect of S&IB Services' growth strategy is its commitment to human capital development. The company invests significantly in the recruitment, training, and ongoing development of its employees to ensure that they meet the highest standards of professionalism and service delivery.

The recruitment process is comprehensive and includes sourcing management trainees from premier institutes, as well as hiring professionals from defense, police, intelligence, engineering, and other fields. These diverse backgrounds contribute to a well-rounded, capable team equipped to meet the needs of the company's growing client base.

Sustainable Growth and Social Responsibility

S&IB Services' growth is not only focused on expanding its workforce but also on advancing its commitment to sustainability and corporate social responsibility (CSR). The company adheres to stringent statutory and regulatory requirements and is dedicated to promoting eco-friendly practices in all aspects of its operations.

Additionally, the company's CSR initiatives are aimed at supporting community development, particularly in areas where the need for employment and skill development is most critical.
