

TFOS killer B Sets an Example with a New Composition, 'Disco Thing'

Montreal, Quebec Feb 19, 2025 ([IssueWire.com](https://www.issuewire.com)) - Music artists like TFOS Killer B are meant to do something different than the rest and his latest work 'Disco Thing' is the best example of that. While most artists in the industry are seeking fame and popularity, killer B is best known for staying true to his craft regardless of the limelight. His instrumental compositions have a voice to share that is engaging and speaks of him. Mastering his craft to a whole new level, the artist has dropped a handful of music projects that allowed him to shape his musical journey.

Each of TFOS Killer B's musical releases like 'Long Time', 'History of Life', 'Lovely Song', etc show how diverse his creative compositions can be. There is a sheer amount of individuality that makes his creations very unique and helps him stand out as an underground artist. The artist is looking forward to bringing more amazing tracks in the coming days of this year.

TFOS Killer B is currently buzzing through all the major music platforms, such as [Apple Music](#), [YouTube](#), and [Spotify](#) while creating a global fan base. Those who want to connect with the artist or find

more musical updates can also find him on [Facebook](#).
