

The Art of Hand-Rolled Incense: Craftsmanship Behind Satya Sai Baba Nag Champa

Mumbai, Maharashtra Feb 3, 2025 (Issuewire.com) - [Satya Sai Baba Nag Champa](#) incense is a globally recognized product, crafted by Shrinivas Sugandhalaya (MUM) LLP. This incense embodies the rich traditions of Indian craftsmanship and has become a favourite for its quality and soothing fragrance.

The Origins of Satya Sai Baba Nag Champa Satya Sai Baba brand history

In 1964, Shri K N Satyam Setty began crafting incense in their small home in Bhatwadi, Ghatkopar, Mumbai. Their creation, "Satya Sai Baba Nag Champa," revolutionized the industry with its hand-rolled masala agarbatti and warm, oriental aroma.

Since 1985, [Mr K.S. Nagraj Setty](#), the founder's eldest son, has expanded the reach of the "[Satya Incense](#)" brand globally, making it a trusted name in both Indian and international markets.

What Makes Nag Champa Incense Unique? Signature Fragrance

The incense features a blend of:

- **Wood Powder** – Provides a rich, woody base.
- **Natural Resinoids** – Adds sweetness and binds the blend perfectly.
- **Floral Extracts and Oils** – Create a calming and harmonious scent.

Its distinctive fragrance is warm, floral, and soothing, embodying quality and purity. It is composed of a perfume blend with essential oils of: Champa, Plumeria, Jasmine, Rose, and Magnolia.

Additionally, the incense is made using a dough of natural wood powders, natural resins, and natural binders, imparting a sense of warmth and tranquillity to the surroundings.

Hand-Rolled Craftsmanship

Each stick is hand-rolled by skilled artisans using natural ingredients, ensuring consistency and quality.

Eco-Friendly Practices

Satya Sai Baba Nag Champa incense is crafted with sustainability and safety in mind:

- **Sustainable Ingredients** – Made with sustainable bamboo and responsibly sourced materials.
- **Non-Toxic & Safe** – Free from heavy metals and non-carcinogenic.
- **Hand-Rolling Safety** – Ingredients are safe for mixing and rolling by plain hands.
- **Chemical-Free** – Free from harmful chemicals like Benzene and Toluene.

Certified & Ethical –

- **ISO Certified** – Ensuring high-quality manufacturing standards.
- **Eco-Friendly** – Committed to environmentally conscious production.
- **Cruelty-Free** – Not tested on animals.
