

The Tommy Lasorda Experience Releases Groundbreaking Fourth Album

Bronx, New York Jan 18, 2025 ([Issuewire.com](https://www.issuewire.com)) - Bronx punk band The Tommy Lasorda Experience has just released their fourth full-length album, "We're Just Ferocious, We Want Your Heart, We Want To Eat Your Children And Stomp On Their Testicles", on New York City's Insurrectionary Records. The album features the standout tracks "California 1978", "You Can't Fix Stupid", "What The Hell Happened To Times Square?", "I Actually Kind Of Enjoyed The Pandemic", and "I Don't Shower Much But I Tell People It's Because Of Water Conservation" and is already on all major streaming services, with several videos in production.

About The Tommy Lasorda Experience

The Tommy Lasorda Experience is a punk band from The Bronx, New York, featuring Sarah “Noodle Girl” Herrera on bass and vocals, Miguel “Doctor Boots” on drums and percussion, and Laura “Mr. Huckleberry” Young on guitar. Manager Jackson Dawes is the audio engineer and producer. The band has received critical acclaim for solid musicianship and insightful, social conscious lyrics. The band features former members of Exploited Cocks, Anarchy In Azerbaijan, Charlie Benante’s Shoes, Rape!, Taking It In The Rear From John Holmes, and Exile On The Cross Bronx Expressway. Vocalist and bass player Sarah Herrera is releasing her first solo album next week, with acoustic covers of several Tommy Lasorda Experience songs.
