

## Adriana Taleski: A Committed Advocate for Patient Care in Interventional Radiology

Henderson, Nevada Nurse's Journey to Transform Healthcare Through Compassion and Innovation

**New York City, New York Feb 14, 2025 ([Issuewire.com](https://www.issuewire.com))** - Adriana Taleski, a dedicated registered nurse specializing in interventional radiology, is making significant strides in the healthcare community of Henderson, Nevada. With a profound ability to comfort and support individuals during challenging life transitions, Adriana is committed to enhancing patient outcomes and ensuring that every individual receives the highest quality of care.

Currently pursuing a Master of Nursing in Medical Informatics at Chamberlain University, Adriana's

educational journey reflects her passion for advancing healthcare through clinical expertise and technological innovation. Expected to complete her degree in September 2025, she is poised to integrate her nursing knowledge with informatics to improve healthcare delivery and patient experiences.

As a respected provider at Duly Health and Care, Adriana upholds the highest standards of patient care, safety, and trust. Her role in interventional radiology enables her to impact the lives of patients undergoing complex medical treatments, demonstrating her commitment to nurturing and guiding them through their healthcare journeys.

Adriana's extensive experience spans over five years across various specialties, including skilled nursing, telemetry, and interventional radiology. She has served as a Travel Registered Nurse at St. Bernard Hospital (February 2022 - June 2022), a Staff Registered Nurse at Ingalls (November 2019 - January 2022), and a Registered Nurse at DuPage County (October 2018 - September 2019). Each position has honed her skills and deepened her understanding of patient needs within diverse healthcare settings.

A distinguished member of the Sigma Theta Tau International Honor Society of Nursing, Adriana embodies the principles of professional excellence and lifelong learning. She credits her success to the unwavering support of her family, particularly her grandfather, who instilled in her the values of hard work and compassion.

"I hope to one day not only have the ability to change the lives of our patients but to also change the trajectory of healthcare as a whole," Adriana shares. Her vision reflects her dedication to transforming the nursing profession and improving the healthcare landscape for future generations.

Adriana Taleski's unwavering commitment to patient care and her pursuit of knowledge make her a true asset to the nursing community in Henderson, Nevada. As she continues her journey, she remains an inspiring figure for aspiring nurses and healthcare professionals alike.
