

Anthony Angelo Floreani, MD Continues to Inspire as a Leading Pulmonologist at MaineHealth Pulmonology - Belfast

Dedicated to Providing Exceptional Care in Pulmonary Health Since 2020

New York City, New York Feb 10, 2025 ([IssueWire.com](https://www.issuewire.com)) - MaineHealth is proud to highlight Dr. Anthony Floreani, a distinguished pulmonologist committed to delivering outstanding patient care at MaineHealth Pulmonology - Belfast. Dr. Floreani has been an integral part of the MaineHealth community since 2020, bringing over three decades of experience in pulmonary medicine and internal medicine to the forefront of patient care.

Dr. Floreani completed his medical education at the University of Nebraska College of Medicine, earning his Doctor of Medicine (MD) degree in 1982. He then pursued residency training in Internal Medicine at the University of Kansas School of Medicine-KC, completing his program in 1985. Following his residency, he further specialized in Pulmonary Disease through a fellowship at the same institution, which he completed in 1988. Dr. Floreani is board-certified in both Pulmonary Disease and Internal Medicine, demonstrating his extensive knowledge and expertise in these critical areas of healthcare.

Since joining MaineHealth, Dr. Floreani has worked across various facilities, including the MaineHealth Accountable Care Organization, Pen Bay Hospital, and Waldo Hospital. His commitment to patient-centered care and his ability to forge strong relationships with patients has made him a trusted provider in the community. Dr. Floreani's approach combines advanced medical knowledge with compassionate care, ensuring that each patient receives individualized treatment tailored to their specific needs.

Dr. Floreani is passionate about educating patients about their lung health and empowering them to take an active role in managing their conditions. He believes that open communication and understanding are key to effective treatment, and he strives to create an environment where patients feel comfortable discussing their health concerns.
