He lets the protagonist delve into the human capacity to break down, rebuild, and grow stronger. This is reflected in the story of Lincoln West, an orphan with a troubled past. Life seems perfect for Lincoln and his wife, Annie, until the Covid pandemic hits, and she succumbs to the illness. Lincoln's world crumbles once again.

A Troubled Child follows Lincoln's reflective journey as he struggles to cope with this profound, irreparable loss. Along the way, he meets other characters who help him rediscover the power of love, resilience, friendship, and unbreakable bonds.

Readers will see Lincoln return to the Texas Gulf Coast to reconnect with his foster parents, Jessie and Riley. Jessie, now battling terminal cancer, asks Lincoln to promise to care for Riley after she's gone. Meanwhile, Lincoln meets Aneeka Thatcher, a woman trying to rebuild her life after a troubled past. Together, they face formidable challenges, including threats from a ruthless Mexican cartel and the discovery of family secrets.

In their struggles, Lincoln and Aneeka learn about the strength of love, friendship, and strong bonds that can heal even the deepest wounds. *A Troubled Child* is a story of hope, faith, and redemption, showing that there is always a chance for a brighter future, even in the darkest times.
