Bhubaneswar, Odisha Feb 21, 2025 ([Issuewire.com](https://www.issuewire.com)) - Infinity Softsonix: Pioneering Digital Marketing Excellence in Bhubaneswar

Infinity Softsonix, a leading digital marketing training institute and software development company, is proud to announce its continued commitment to shaping the future of digital professionals through advanced training methodologies and real-world project experience.

Empowering the Next Generation of Digital Marketers

In today's rapidly evolving digital landscape, the demand for skilled professionals is at an all-time high. Infinity Softsonix addresses this need by offering comprehensive courses in Digital Marketing, Web Designing, and more, tailored to equip students with the practical skills required to excel. Our mission is to create future digital marketing professionals by adapting advanced training methodologies and enabling students to demonstrate skills on real projects.

Why Choose Infinity Softsonix?

- **Experienced Trainers:** Learn from industry veterans with extensive practical knowledge, dedicated to providing students with the expertise needed to thrive in the digital sector.
- **Hands-On Training with Live Projects:** Engage in real-world projects that bridge the gap between theoretical concepts and practical application, ensuring readiness for industry

challenges.

- **100% Placement Assistance:** Benefit from our robust placement support, including resume building, mock interviews, and access to an extensive industry network to secure your ideal role.

Comprehensive Course Offerings

Infinity Softsonix offers a diverse range of courses designed to meet the varied needs of aspiring digital professionals:

- **Web Designing & Development:** This course covers essential skills such as HTML5, CSS3, JavaScript, and more, preparing students to create interactive and responsive websites. Ideal for system engineers, mobile app developers, and software engineers, the program offers both weekday and weekend batches to accommodate different schedules.
