

Bringing Back the 90s Vibe with Eric Francois Garcia's Music

Decades after decades this young artistic individual Eric Francois Garcia has been blasting up the dance floor and recently he has released two new tracks.

Washington, Feb 6, 2025 ([Issuewire.com](https://www.issuewire.com)) - With over 30 years of shaping dance floors and electrifying crowds, **Eric Francois Garcia** is a true pioneer in the worlds of disco, funk, house, and jackin' beats. As a seasoned musician and producer, this artist has spent decades crafting timeless grooves that blend the soulful essence of funk, the glittering energy of disco, and the driving pulse of house music. Through his sound, the artist displays a journey that passes through the evolution of

dance music, rooted in the classics but simultaneously pushing forward with fresh, innovative vibes. Recently he has released two new brand new tracks called '**Melodic Faces**' and '**Less Song**' which have already become quite popular on major music streaming platforms.

Known for crafting infectious beats, funky basslines, and feel-good melodies, the new tracks '**Melodic Faces**' and '**Less Song**' are all about spreading joy, energy, and that irresistible urge to move. Whether his audience is grooving at a party, cruising in their car, or just needing a pick-me-up, these tracks are all about the best feelings. Inspired by the golden era of disco but infused with contemporary flair, **Eric Francois Garcia's** sound is a celebration of life, love, and endless nights. Let's dance like nobody's watching—because with this amazing talented artist, the party never stops!

Apart from the new tracks, this artist has gifted his fans with splendid works of his own like 'Cold Shadow', 'Monophonic Major', 'Soft Lava', 'Cursed Calamity', 'The Game' and so many more. All of the tracks are being streamed on major music streaming platforms like [Spotify](#). Fans can get updates about the upcoming projects of this extremely talented artist on his social media profiles on [YouTube](#), [SoundCloud](#), and [Apple Music](#).
