

Charisse R. Keith: A Compassionate and Dedicated Registered Nurse in New York

Elevating Patient Care at NewYork-Presbyterian Hospital

New York City, New York Feb 16, 2025 ([Issuewire.com](https://www.issuewire.com)) - Charisse R. Keith, a Registered Nurse at NewYork-Presbyterian Hospital, is making significant strides in enhancing patient quality of life through her unwavering commitment to communication, safety, and trust. With her extensive experience and genuine passion for nursing, Charisse exemplifies the highest standards of patient-centered care in one of the nation's foremost healthcare institutions.

NewYork-Presbyterian Hospital is renowned for its dedication to excellence in patient care, research, education, and community service. Located in the heart of New York City, the hospital stands as one of the largest and most comprehensive medical centers in the U.S., boasting over 4,000 beds, more than

10,000 affiliated physicians, and a robust workforce of 50,000 employees. Serving over 2 million visits annually, including nearly 22,000 infant deliveries and over 620,000 emergency department visits, NewYork-Presbyterian is at the forefront of innovative healthcare solutions.

Charisse, a graduate of SUNY Downstate Health Sciences University, is not only a skilled nurse but also a proactive member of both the American Nurses Association and the American Correctional Nurses Association. Her dedication to continuous learning and her empathetic approach to patient care have been pivotal in her professional journey.

Charisse is an award-winning professional, having received the prestigious Falcon Award for Excellence in Workmanship. As a dedicated member of the ACNA, Cannabis Network, and Black Empowerment Association, Charisse actively contributes to initiatives that promote health, wellness, and empowerment.

As the CEO of GreenPath Nursing Solutions LLC, a pioneering nursing consulting company, Charisse is committed to advancing patient care, wellness, and cannabis education. GreenPath Nursing Solutions also specializes in organizing physical and mental health retreats, offering holistic approaches to well-being.

Charisse is also a passionate advocate for Alzheimer's awareness, participating in the Walk to End Alzheimer's Association. She is currently conducting research on the effects of cannabis on patients with Multiple Myeloma, furthering her mission to explore alternative healing solutions.

Slogan: **“STOP THE PILLS WHEN THERE’S OTHER WAYS TO HEAL.”**

In her role at NewYork-Presbyterian, Charisse engages with a diverse patient population, ensuring that each individual feels heard, respected, and cared for. Her ability to foster trusting relationships with patients and their families is a testament to her commitment to the nursing profession.

In a healthcare environment that continually evolves, Charisse R. Keith remains a true asset to her field. Her contributions not only enhance the quality of care at NewYork-Presbyterian Hospital but also inspire fellow nurses to uphold the values of empathy, communication, and safety in their practices.
