

Cheri Jrolf, DMSc, PA-C: Certified Physician Assistant Committed to Your Health and Well-Being

Transforming Healthcare Through Compassionate Care and Community Engagement

New York City, New York Feb 13, 2025 ([Issuewire.com](https://www.Issuewire.com)) - Cheri Jrolf, DMSc, PA-C, is revolutionizing healthcare with her extensive experience and patient-centric approach. With over 29 years in both primary and specialty care, Cheri has dedicated her career to improving the health and wellness of individuals across various life stages.

Cheri's journey in healthcare began with her education at Richland College, where she earned an Associate of Arts Degree in 1994. She furthered her studies at the University of Texas Southwestern, obtaining a Bachelor of Science Degree in 1996. Cheri continued her academic pursuits by earning a Master of Physician Assistant Studies Degree from the University of Nebraska in 2002. Demonstrating her commitment to lifelong learning, she completed her Doctorate of Medical Science at A.T. Still University in 2022 and currently serves as a preceptor for Physician Assistant students.

As the founder of Family First Virtual Care and Weight Management, Cheri is passionate about delivering high-quality medical services through virtual platforms. Her innovative approach emphasizes wellness, chronic disease management, and comprehensive weight management solutions. "Our vision is to revolutionize healthcare by creating a supportive and inclusive environment where patients are actively involved in their health journey," she states on the company's website. Family First Virtual Care and Weight Management aims to be a trusted partner in the community, known for its commitment to excellence, innovation, and the holistic well-being of patients and their families.

Cheri is an active member of several professional organizations, including the Academy of Doctoral PAs, the Florida Academy of PAs (where she serves as Vice President), the American Academy of Physician Assistants, and PAs for Women Empowerment. Her contributions to the medical community have been significant, with numerous published articles addressing vital healthcare topics and showcasing her expertise.

In addition to her professional achievements, Cheri is deeply committed to charitable work and philanthropy. She actively supports the ECHO Brandon Food Pantry, which provides essential resources to those in need. Through Village Medical/One World Surgery, Cheri has participated in medical missions to the Dominican Republic, delivering critical healthcare services to underserved communities. Her dedication to youth development is evident through her service on the Youth Athletics Board of Directors, and she has created the Strategies for Life Health Fair, promoting wellness and preventive care in the community. Cheri is also involved with Special Olympics Florida, advocating for athletes with intellectual disabilities, and has contributed to the Military Awareness Project at LMU, supporting service members and their families.

Cheri's excellence in healthcare has been recognized through several accolades, including being named a Top Doctor for 2025 by Best in Florida Magazine and receiving the title of Mother of the Year for 2024 from American Mothers, Inc. Her unwavering dedication to improving healthcare access and quality continues to drive her initiatives, ensuring that patients receive the care they deserve.

Above all, Cheri attributes her success to her unwavering motivation to be a supportive mother. This personal commitment not only inspires her children but also fuels her dedication as a Physician Assistant. Cheri's passion for providing care and making a tangible difference in people's lives stems from this deep-rooted commitment, shaping her into a compassionate healthcare professional, educator, and community servant.
