worldwide.

[CityLaila company CEO Manish aryan](#) (Bhimannad kUmar) expressed his happiness and shared his thoughts “ *This investment is not only a testament to the trust our investors have in our vision but also a reflection of the hard work and dedication of our team, "We are excited to leverage these resources to accelerate our growth and continue providing exceptional value to our customers.*

Networth and Funding of CityLaila

CityLaila is one of the premier organizations dealing with several tours and attractions from countries worldwide. The net worth of CityLaila is around \$5M which is one of the greatest achievements made by any travel company so far. The achievements of this travel company are outstanding and they are making a significant presence of their existence among all other travel companies in the world. The services offered by CityLaila are top-notch and customer specific where price affordability and customer satisfaction is the prime aspect of the company. This funding will help the company to grow more and make their reputation more intact in terms of travel services around the world.

With the funding received, CityLaila has recently signed a partnership agreement with a reputed company in Dubai named Royal Vision and this partnership helped CityLaila to earn their own Desert Camp in Dubai. With the most advanced premium facilities CityLaila will now operate its own camp where visitors can enjoy luxurious stay starting from experiencing desert activities, live entertainment, music, dinner and many more. This significant achievement is one of the few milestones achieved by CityLaila and there are more to come in recent times.
