

Daniel DiCriscio's Hot Hollywood Birthday Bash Concert "SIZZLES" at The Whisky a Go Go

West Hollywood, California Feb 8, 2025 ([IssueWire.com](https://www.IssueWire.com)) - TV/Media personality, Celebrity Hairstylist aka The Messiah of Makeover, Model, and Recording Artist Daniel DiCriscio took over the iconic Whisky a Go Go for a second year in a row with this year's "Hot Hollywood Birthday Bash" following last year's successful "Blondemic Birthday Bash!"

DiCriscio headlined the Whisky and did a full hour set of his original songs all written arranged and produced by Daniel with fan favorites and charted singles such as "Take Me To The Other Side (PWL Remix)", "Hollywood", "Superman", "Blondemic", "I'm On Fire" and a finale of the romantically piano laden "Love Like Mine" that was beautifully executed and was very well received by the fans with major reactions and applause. The audience sang Happy Birthday to Daniel during the instrumental break of "Love Like Mine" as DiCriscio stood on stage with the mic positioned at the audience. DiCriscio said, "I was so moved by the audience participation, they were great, and I felt all their love. What a great birthday gift."

DiCriscio was introduced by actress Amber Martinez with Daniel making his entrance coming down the famous Whisky stairs to the famous stage wearing a sizzling sexy hot ensemble of black leather pants, a corset (a Daniel favorite), and an extreme plunge V front studded and rhinestoned bling sleeved top exposing Daniel's chest down to his waist with two rosary necklaces and a diamond cross necklace. He also accented with a bejeweled rhinestone hand bracelet.

DiCriscio unapologetically took the audience in his hands with "X Sex" inviting them with the intro line "Welcome to my fantasy/Are you ready to be taken on an incredible journey" and DiCriscio did not disappoint and left no crumbs spinning the crowd into an erotic frenzy as they sang along with him on the chorus "Ooo my body/ feeling my body."

Daniel hair flipped his trademark platinum waist length locks and danced his way, sometimes on knees and floor, through a full hour set flanked by four dancers; Ashley Sinclair, Karen Schultz, Amber Martinez, and Francine Dancer.

Daniel was presented with a "Hunk Cake" in his image onstage by Ashley Sinclair, who made the cake.

After the show, DiCriscio held a meet and greet at the front of the stage with also a birthday cake and candle singalong with everyone that was there. All in attendance got a piece of cake too!

DiCriscio blew out his candles on his two birthday cakes at once to a roar of handclaps and birthday wish yells from the group.

So, what did DiCriscio wish for? "I am a lucky guy I guess and am grateful for The Whisky, fans, and all that life has granted me thus far. What did I wish for? Hmmm, if I tell you it won't come true! I'll tell you at next year's bash!"
