Providing the Highest Standard of Eye Care

New York City, New York Feb 13, 2025 ([Issuewire.com](https://www.Issuewire.com)) - Delaware Eye Care Center proudly

recognizes Dr. Gardner for his unwavering dedication to providing compassionate and comprehensive eye care. With over twenty years of experience in the field, Dr. Gardner has continually demonstrated a patient-centered philosophy that focuses on treating individuals, not just their ocular conditions.

Dr. Gardner is a seasoned professional specializing in ocular disease management, post-surgical co-management, and contact lens services. His expertise covers a wide range of eye health issues, including dry eye, glaucoma, diabetes-related complications, and macular degeneration. His approach ensures that each patient receives personalized care tailored to their unique needs.

Dr. Gardner's academic journey began at West Virginia University, where he majored in biology. He earned a bachelor's degree in Vision Science in 2003 before obtaining his Doctorate in Optometry from Nova Southeastern University in Fort Lauderdale, FL. During his residency in primary eye care, Dr. Gardner was honored as the Resident of the Year at the NSU Institute, showcasing his commitment to excellence from the outset of his career.

A Diplomate of the American Board of Optometry, Dr. Gardner has achieved significant recognition for his contributions to the field. In 2022, he was named the Best Optometrist in northern Delaware and was a finalist for the Delaware Online Community Choice Awards in 2023. His accolades continued with his recognition as a Top Doctor featured in the 2024 Best of Delaware Magazine. Additionally, Dr. Gardner has contributed to the field through published articles in reputed journals such as Optometry Today and Review of Optometry, discussing advancements in diagnostic technology and ocular disease management.

Originally hailing from Wheeling, West Virginia, Dr. Gardner briefly lived in Fort Lauderdale before making Middletown his home in 2005. Outside of his professional endeavors, he cherishes spending time with his wife and three children and enjoys staying active through exercise, running, and biking. These personal interests reflect Dr. Gardner's belief in a balanced lifestyle, which resonates with his approach to patient care.
