

Dr. Ellen Rucker Sellers and Family Appear on The Tamron Hall Show to Advocate for Liver Health Awareness

Rucker Roots Co-Founder Joins Husband and Children to Share Their Family's Journey and Support Liver Advocacy with #LoveMyFamily

New York City, New York Mar 1, 2025 ([Issuewire.com](https://www.issuewire.com)) - Dr. Ellen Rucker Sellers, co-founder of Rucker Roots, made a heartfelt appearance on *The Tamron Hall Show*, joined by her husband, Bakari Sellers, and their children, including their daughter Sadie Sellers, the National Liver Champion for the American Liver Foundation. The episode, focused on *Family & Liver Advocacy*, highlighted the Sellers family's emotional journey through Sadie's life-saving liver transplant at just 8 months old and their ongoing mission to raise awareness for liver disease.

The Sellers family's story is one of love, resilience, and advocacy. Through their experience, they've embraced the power of family and the importance of community support, embodying the #LoveMyFamily message as they champion liver health awareness.

A Family's Mission for Awareness and Change

Sadie's journey has been an inspiration to many, showcasing the strength of a young warrior and the advancements in medical care that have given her a second chance at life. As a National Liver Champion, she continues to serve as a voice for pediatric transplant patients and families affected by liver disease.

"We never expected to be on this journey, but through it, we've found a purpose in advocating for children and families facing similar battles," said Dr. Ellen Rucker Sellers. "Sadie is a warrior, and we're committed to supporting the American Liver Foundation in their mission to improve lives through education, support, and medical research. This is a lifelong commitment for our family, we will advocate for Sadie and other liver families. "

Honoring Sadie's Strength & Spreading Awareness

The Sellers family's appearance on *The Tamron Hall Show* reinforced the urgency of organ donation awareness and liver health education. Bakari Sellers, a political commentator and attorney, also spoke about the emotional and financial challenges that families of transplant recipients face, advocating for better healthcare resources and support systems.

How to Support the Cause

In honor of Sadie's journey and her role as a National Liver Champion, the Sellers family encourages individuals to:

❑ **Register as an organ donor** at www.organdonor.gov

❑ **Support the American Liver Foundation** at www.liverfoundation.org

❑ **Spread awareness** by sharing information about liver disease and transplants with the hashtag #LoveMyFamily
