

Dr. Kermit Lloyd Continues to Make Strides in Neurology at Riverside Multiple Sclerosis Center

Dedicated to Patient Care and Research

New York City, New York Feb 21, 2025 ([Issuewire.com](https://www.issuewire.com)) - Riverside Health System proudly announces the ongoing contributions of Dr. Lloyd, a distinguished neurologist and director of the Riverside Multiple Sclerosis Center. Dr. Lloyd has been a vital part of the Riverside team, providing comprehensive care to over 1,500 patients living with multiple sclerosis (MS) and other neurological conditions.

Dr. Lloyd earned his medical degree from the University of North Carolina at Chapel Hill School of Medicine, followed by a neurology residency at Virginia Commonwealth University Health System in Richmond, Virginia. His expertise is recognized through his board certification from the American Board of Psychiatry and Neurology, affirming his commitment to excellence in patient care.

At the Riverside Multiple Sclerosis Center, Dr. Lloyd has developed a reputation for his patient-centered approach and dedication to advancing treatment options. His focus on MS has led to his involvement as both principal and co-investigator in several influential clinical trials aimed at improving the quality of life for those affected by this challenging condition. Dr. Lloyd's research also extends to other significant neurological disorders, including Parkinson's disease, stroke, migraine headaches, epilepsy, and Alzheimer's disease.

Believing that the brain is the essence of our identity, Dr. Lloyd views his role in safeguarding the neurological health of his patients as a profound privilege. His clinical practice is grounded in compassion and innovation, ensuring patients receive the highest standard of care tailored to their unique needs.

Originally from Chapel Hill, North Carolina, Dr. Lloyd resides in Newport News with his wife, Alisa, and their two beloved dogs, Zippy and Flurry. Outside of his practice, he enjoys exploring diverse cultures through travel, nurturing his garden, and passionately following ACC basketball.

The Riverside community is fortunate to have Dr. Lloyd's expertise and unwavering dedication. As he continues to lead the Riverside Multiple Sclerosis Center, Dr. Lloyd remains committed to enhancing the lives of his patients and contributing to the field of neurology.
