

Dr. Randal Silver, DMD, Introduces Alpha-Stim®: A Revolutionary Drugfree Solution for Dental Anxiety in Independence, MO

Dr. Randal Silver, DMD, and True Dental Group introduce Alpha-Stim®, an FDA-cleared, drug-free solution designed to alleviate dental anxiety and pain, helping patients in Independence, MO, receive stress-free dental care without side effects.

Independence, Missouri Mar 3, 2025 ([IssueWire.com](https://www.issuewire.com)) - Many individuals avoid essential dental care due to anxiety and fear of pain. Recognizing this widespread concern, [Dr. Randal Silver, DMD](#), and the team at True Dental Group are proud to introduce **Alpha-Stim® therapy**, an FDA-cleared, drug-free solution designed to alleviate dental anxiety and minimize discomfort during treatment. This innovative approach ensures a **stress-free, pain-free dental experience** for patients in Independence, MO, and surrounding areas.

What is Alpha-Stim® Therapy?

[Alpha-Stim®](#) is an advanced **cranial electrotherapy stimulation (CES) device** that delivers a **gentle, microcurrent signal** to stimulate targeted nerve cells in the brain. The result? A **calming, relaxing effect** that significantly reduces **anxiety and pain** without the need for sedative medications.

Unlike traditional dental sedation methods, Alpha-Stim®:

- Is **completely drug-free**
- Has **no side effects** or risk of overuse
- Provides **fast-acting relief** during treatment
- Allows patients to **drive home safely after their visit**

"Dental anxiety should never stand in the way of a healthy smile. With Alpha-Stim®, we're helping patients overcome fear and discomfort so they can receive the care they need—without worry," said **Dr. Randal Silver, DMD**, of True Dental Group.

Real Patients, Real Relief

Many patients have already experienced the benefits of Alpha-Stim® therapy at True Dental Group. One patient, **Madison Desare**, shared:

"I suffer from extreme anxiety, but this new option gave me the most pleasant dental experience yet. Highly recommended for anyone nervous about dental work!"
