Specialized Pediatric Developmental Neurologist Committed to Comprehensive Child Health

New York City, New York Feb 20, 2025 ([Issuewire.com](https://www.issuewire.com)) - Ptarmigan Connections is proud to highlight the exceptional expertise of Dr. Cathleen Marshall, a distinguished Pediatric Developmental Neurologist dedicated to providing comprehensive healthcare for children. With a robust background in diagnosing and treating a wide range of pediatric conditions, Dr. Marshall is committed to improving the health and well-being of children in the Wasilla community.

Dr. Marshall specializes in addressing the unique health needs of infants, children, teenagers, and young adults up to age 21. Her extensive training and experience enable her to diagnose and manage various infections, injuries, diseases, and developmental disorders. As a pediatrician, Dr. Marshall not

only focuses on medical treatment but also emphasizes preventative healthcare, ensuring that her patients receive holistic support for their physical, mental, and emotional health.

With a strong educational foundation from the prestigious Johns Hopkins University School of Medicine, Dr. Marshall completed her post-doctoral fellowship from 2015 to 2019. She also underwent her residency in Pediatrics at the University of Maryland from 2013 to 2016, where she honed her skills in child health and development. Dr. Marshall received her medical degree from the University of Maryland School of Medicine, graduating in 2013, where she laid the groundwork for her commitment to pediatric care.

At Ptarmigan Connections, Dr. Marshall is known for her compassionate approach and her ability to connect with both her young patients and their families. She believes that effective communication and understanding are essential in pediatric healthcare, allowing families to feel empowered and informed about their children's health journeys.

"Every child deserves the best possible start in life," said Dr. Marshall. "My goal is to provide not just treatment but also education and support to families, helping them navigate the complexities of pediatric health."

As part of Ptarmigan Connections, Dr. Marshall collaborates with a multidisciplinary team to offer comprehensive services that address the diverse needs of children. Her commitment to pediatric developmental neurology ensures that children facing neurological challenges receive the specialized care they need to thrive.
