

Enjoy A Stunning Tale of Revenge and Thriller in 'Secret Service' by William G. Hyland Jr.

William G. Hyland Jr. presents a mind-blowing story of revenge fueled by rage and grief in his newest book 'Secret Service', currently available on Amazon.

it supports you when times are rough and you build your life around your family to live to the fullest. So, there is nothing to life or it seems when that family is lost. Building a story around how important a family is to a person and how a person becomes absolutely vengeful when something takes that family away, author **William G. Hyland Jr.** is here with his newest fiction. Entitled '[Secret Service](#)', the story is impeccably written, making the reader stick to the very end without even a pause.

The story follows Nicholas Gallery, a young lawyer who sees his life destroyed when a drunk driver kills his wife and cripples his daughter. The entire story explains Nick's grief in detail, showcasing the author's ability to express such a saddening and unfortunate incident in the most compassionate way. This is a story of revenge which even though started as quiet grief, quickly turns into a series of devastating events.

The writing is both exciting and satisfactory, highlighting the author's talent and ability to build up a storyline and deliver a thrilling finale. '**Secret Service**' promptly excels at creating a prominent level of suspense and keeping the readers on the edge of their seats. Readers will find everything in the book, starting from anticipation, tension, and excitement to grief, and love. What is commendable about the story is the background, the author has successfully transported his readers to every location, from the corridors of official Washington to the Swiss Alps. This further made sure the reading experience is equally engaging and captivating for the audiences.

The talent of storytelling in **William G. Hyland Jr.** flourished for the first time in 2009 when the author debuted his first non-fiction book 'In Defense of Thomas Jefferson: The Sally Hemings Sex Scandal'. Known and widely praised for his historical biographies, this is a new take that presents a more refreshing chapter of his writing. 'Secret Service' is a gripping thriller, delivering all the best elements of the genre and making sure it is a memorable reading experience for the audience. So, get the book on Amazon and follow the author on [Facebook](#), [Instagram](#), and his [website](#) for further updates.
