

Hycean Studios Unveils Black Trenches

A Horror Gamebook Set In The German Trenches Of 1917

Singapore, Singapore Feb 18, 2025 ([IssueWire.com](https://www.issuewire.com)) - Hycean Studios, a tabletop gaming studio based in Singapore, is excited to announce its latest project, *Black Trenches*, a gripping choose-your-own adventure horror gamebook set in the eerie German trenches of World War I.

An Immersive Horror Experience Like No Other

In *Black Trenches*, players awaken in a deserted German trench in 1917, surrounded by an unsettling silence. As they navigate the labyrinth of the front lines, they must uncover the dark secrets hidden within and determine whether they are trapped in reality or lost in a nightmare. Every choice matters, leading to multiple endings that will keep readers on edge.

Key Features:

- ❑ **Over 140 Pages of Content** – Featuring deep storytelling and multiple endings to ensure a rich replay experience.
- ❑ **10+ Stunning Illustrations** – Detailed, hand-drawn artwork that brings the game's haunting atmosphere to life.
- ❑ **Historical Horror Setting** – Drawing from real accounts of trench warfare, *Black Trenches* merges history with psychological terror.
- ❑ **Character Creation** – Players can choose from pre-existing characters or create their own using a dice-based system.
- ❑ **Download the Free Demo** – A PDF demo is available for free download, allowing players to

experience the chilling narrative before committing to the full gamebook.

100% Handcrafted Artwork & Storytelling

The stunning character art has been meticulously drawn by Indonesian artist Kitsuneudon, known for their expertise in military-style anime artwork. Every word in *Black Trenches* is written by the team without AI assistance, ensuring an authentic and immersive experience.

A Proven Track Record on Kickstarter

After a successful debut project, Hycean Studios is bringing its experience and dedication to *Black Trenches*. With lessons learned from their first campaign, they are committed to delivering a high-quality product to backers.
