

Jennifer Knoke Joins a Large Nationwide Home Health Agency as a Pediatric Home Health Registered Nurse

Delivering Compassionate, High-Quality Care to Children with Complex Medical Needs

New York City, New York Feb 10, 2025 ([Issuewire.com](https://www.issuewire.com)) - Greenville, South Carolina - Bayada Home Health Care is proud to announce the appointment of Jennifer Knoke as a Pediatric Home Health Registered Nurse. With 17+ years of nursing experience, primarily in pediatric care, Jennifer brings a wealth of knowledge and expertise to the Bayada team. Her previous role at a smaller home health agency solidified her skills and passion for providing exceptional care to children with complex medical needs.

Jennifer, a proud graduate of Greenville Technical College, further advanced her nursing education by earning a Bachelor of Science in Nursing from the University of South Carolina Upstate in 2007. Throughout her career, she has focused on pediatric nursing, a field she finds deeply rewarding. "Working with children is where I feel most comfortable and happiest," Jennifer shared. Her extensive experience includes caring for patients with ventilator and tracheostomy needs, as well as managing various medical devices such as feeding tubes and pumps.

Jennifer's dedication to her profession is evident in her approach to patient care. She believes that nursing is not just a job but a calling. Jennifer attributes her success to her faith in God and her passion for nursing. This unwavering commitment to her patients has made her a respected figure in the community and a true asset to the healthcare field.

At Bayada Home Health Care, Jennifer will continue to provide compassionate, high-quality care to children, supporting families and ensuring that young patients receive the medical attention they require in the comfort of their homes. Bayada is known for its commitment to delivering exceptional home health care, and Jennifer's expertise aligns perfectly with the organization's mission to help clients live safely and independently.
