

Kevin C. Browne Is Back At It With ‘What If Is All’

The incredibly talented musician Kevin C. Browne is back with another banger. His latest song ‘What If Is All’ has been released with the official lyrical video.

New Milford, Connecticut Feb 10, 2025 (Issuewire.com) - Everybody who is interested in news regarding the upcoming artists in the industry must have heard of the name **Kevin C. Browne** and the reason for this is nothing more than his amazing musical talents and his passion for the art form. Years after years, this talented individual has gifted his fans with some of the most memorable tracks they have heard and this time too there seems to be no exception to this tradition. Recently he has released the official lyrics video of his brand new track '**What If Is All**'.

From the name, many can guess that the song is about the moments and the situations that might have happened. Throughout the song, the musician narrates what if this would have happened or that would have happened. It seems like the artist cannot help but wonder about the answers to his what-ifs. The groovy melody along with the electrifying guitar riffs takes the song onto a different platform which showcases his exuberance regarding the art form. The song '**What If Is All**' is an original composition and is not just a track but a testament to the sheer will and passion this individual artist holds for music. In an interview, this artist has put forward his opinion regarding creating music and starting a career later in life. According to him, dreams and passion do not have age so no matter what age anybody is in, it is never to start their own journey.

Apart from the new track **Kevin C. Browne** has released some other memorable tracks like '**The Autumn of My Life Today- Remix**', '**Escaping To Nowhere Remix**', '**After You've Gone Away- Remix**', '**Lost Without You Remix**', '**Sweet Sweet Sugar Blues- Remix**' and so much more which introduces a lot more updated sounds. Right now this talented individual is trying to promote his music with Mastering. All of the tracks are available on major music streaming platforms like **Spotify**. To know more about this majestic artist, fans can visit his social media profiles on [Instagram](#), [X](#), [Apple Music](#), and [TikTok](#). Fans might even get glimpses of his upcoming projects and tracks that are set to be released in the very near future.
