

Khaled M. Sebawih Abdalla, MD, MSCS, CRND: A Leading Expert in Neurology at Winchester Neurological Consultants

Advancing Patient Care with Specialized Expertise in Multiple Sclerosis and Neuroimmunology

New York City, New York Feb 26, 2025 ([Issuewire.com](https://www.Issuewire.com)) - Winchester Neurological Consultants | Valley Health is proud to announce the continued dedication of Khaled M. Sebawih Abdalla, MD,

MSCS, CRND, a board-certified neurologist and Multiple Sclerosis Certified Specialist. Dr. Abdalla brings a wealth of expertise in treating multiple sclerosis (MS), neuromyelitis optica spectrum disorders (NMOSD), acute disseminated encephalomyelitis (ADEM), and other complex central nervous system conditions. His clinical interests encompass a variety of conditions, including MOGAD, CLIPPERS, autoimmune and paraneoplastic encephalitis, and neurosarcoidosis.

Dr. Abdalla is dedicated to providing high-quality neurological care and is committed to understanding the unique needs of each patient. Currently practicing in Winchester, Virginia, his affiliation with Winchester Medical Center ensures that patients receive comprehensive inpatient care 24/7.

“Joining Winchester Neurological Consultants is an exciting opportunity for me,” said Dr. Abdalla. “I am passionate about neurology and neuroimmunology and look forward to contributing to the exceptional care provided by this team to our community.”

Winchester Neurological Consultants has been a pillar of neurological care in the Winchester area since 1971. The clinic prides itself on its patient-centered approach, where physicians prioritize listening to patients and developing tailored treatment plans. The team serves both adult and pediatric patients, ensuring that advanced neurological care is accessible to everyone.

Dr. Abdalla’s journey into neurology began during his veterinary school studies, leading him to transfer to medical school, where he developed a profound interest in neuroimmunology. He earned his Medical Degree from Misr University for Science and Technology College of Medicine in Egypt, completed a neurology residency at Einstein Medical Center in Philadelphia, and concluded a fellowship in multiple sclerosis and neuroimmunology at the University of Virginia in 2023.

With his extensive training and dedication to innovative treatment, Dr. Khaled M. Sebawih Abdalla is poised to make a significant impact in the lives of patients at Winchester Neurological Consultants.
