

Leading the Way in Kidney Health with Victor J. Kabbany, MD

Bringing Expert Nephrology Care and Compassionate Healing to Los Alamitos

New York City, New York Feb 10, 2025 ([IssueWire.com](https://www.issuewire.com)) - Victor J. Kabbany, MD, a highly skilled nephrologist, is proud to announce his continued commitment to providing top-tier care at Integrated Kidney & Internal Medicine in Los Alamitos, California. With a robust background in internal medicine and nephrology, Dr. Kabbany has established himself as a trusted healthcare provider dedicated to improving the lives of his patients through comprehensive and compassionate medical care.

Dr. Kabbany is affiliated with several esteemed medical institutions, including Medicine and Nephrology Associates in Long Beach and Los Alamitos, MemorialCare Miller Children's & Women's Hospital Long Beach, MemorialCare Long Beach Medical Center, and Los Angeles Community Hospital. His collaborations with these respected organizations allow him to offer coordinated care that addresses the

complex needs of patients with kidney diseases and related conditions.

A graduate of Drexel University College of Medicine/Hahnemann University, Dr. Kabbany earned his Medical Degree in 2006. He completed his internship and residency in internal medicine at the prestigious Cedars-Sinai Medical Center from 2006 to 2009, followed by a fellowship in nephrology at the University of California, Irvine Medical Center from 2009 to 2011. This extensive training has equipped him with the expertise necessary to tackle the challenges of nephrology and internal medicine with confidence and precision.

As a board-certified physician in both internal medicine and nephrology, Dr. Kabbany holds the prestigious title of Diplomate of the American Board of Internal Medicine (ABIM). The ABIM's mission is to enhance the quality of healthcare by certifying internists and subspecialists who demonstrate the knowledge, skills, and attitudes essential for excellent patient care. Dr. Kabbany's dedication to upholding these standards is evident in his practice, where he prioritizes patient education, preventive care, and personalized treatment plans.

Dr. Kabbany is passionate about fostering lasting relationships with his patients, ensuring that they feel supported and informed throughout their treatment journey. In an era where healthcare can often feel impersonal, his emphasis on patient-centered care sets him apart in the field of nephrology.
