

Liberty Exports Strengthens Global Presence with High-Quality Agro Products

Leading Indian Agro Exporter Expands Market Presence with Certified, High-Quality Fresh Produce

The infographic features a purple background with a yellow border. On the left, the Liberty Exports logo is displayed above the heading 'Our Products'. Below this, four categories are listed in yellow rounded rectangles: 1. Fresh Vegetables, 2. Fresh Fruits, 3. Spices, and 4. Cereals. Each category has a brief description of the products. On the right, a large hexagonal image shows a variety of fresh produce, including beans, lentils, and grains, arranged in a circular pattern. Above this hexagon, there are smaller images of various spices and fruits.

Liberty Exports™
Our Products

- 1 Fresh Vegetables**

- 3 Spices**
Bringing the rich aroma and authentic flavors of Indian spices to kitchens around the world.
- 4 Cereals**
Exporting high-quality Indian cereals, bringing the essence of traditional nutrition to global tables.

Jabalpur, Madhya Pradesh Feb 14, 2025 ([Issuewire.com](https://www.issuewire.com)) - Liberty Exports, a fast-growing agro-export company, continues its expansion into international markets with a strong focus on quality, sustainability, and farmer empowerment. Since its establishment in **October 2023**, the company has been delivering premium **fresh fruits, vegetables, spices, and cereals** to customers worldwide.

“With a commitment to excellence and transparency, Liberty Exports ensures that our agricultural products meet the highest international standards,” said **Pratyush Sahu, CEO of Liberty Exports**. “We are proud to support local farmers while strengthening our global presence through reliable exports.”

Delivering Premium Agro Products with Sustainability in Focus

Liberty Exports specializes in exporting:

- 📌 **Fresh Fruits:** Mangoes, pomegranates, bananas, grapes, oranges, and coconuts.
- 📌 **Fresh Vegetables:** Red onions, elephant yam, drumsticks, G4 green chilies, okra, and tomatoes.
- 📌 **Spices:** Turmeric powder, garam masala, red chili powder, dry mango powder, coriander powder, and biryani masala.
- 📌 **Cereals:** Basmati rice, non-basmati rice, pearl millet, finger millet, maize, and sorghum.

By integrating **sustainable sourcing, responsible packaging, and efficient logistics**, Liberty Exports is ensuring that customers worldwide receive fresh and safe products straight from Indian farms.

Certified for Global Standards

The company is backed by key industry certifications, including:

- 📄 **ISO 9001:2015** – International Quality Management Certification
- 📄 **APEDA & Coconut Board (EPC)** – Government-Recognized Export Compliance
- 📄 **Registered Trademark** – Protecting Brand Authenticity
- 📄 **GST & IEC Registrations** – Ensuring Smooth Global Trade

Expanding Market Reach with Strategic Growth Plans

As Liberty Exports continues to scale, its focus is on:

- 📄 Expanding into new international markets
- 📄 Strengthening partnerships with global buyers
- 📄 Enhancing digital trade operations for a seamless supply chain

“Our goal is to make premium Indian agricultural products more accessible to the world while creating sustainable opportunities for farmers,” added **Pratyush Sahu**.
