

Live Homes Expands Real Estate & Interior Design Services in Chennai

Chennai, Tamil Nadu Feb 28, 2025 ([Issuewire.com](https://www.issuewire.com)) - LiveHomes, a leading real estate and interior design company, is revolutionizing the way homebuyers and homeowners experience property transactions and interior transformations in Chennai. Founded in 2023, LiveHomes offers a seamless blend of real estate consulting, construction, and interior design services, ensuring a comprehensive homeownership journey.

With an extensive portfolio that includes apartments, villas, and plots, LiveHomes specializes in builder floor apartments and premium residences across Chennai. The company also provides personalized home interior solutions, including living room, bedroom, and full home interior designs, tailored to match individual styles and preferences.

"At LiveHomes, we believe in making homeownership stress-free by providing end-to-end solutions. From buying a dream home to designing its interiors, we ensure our clients get a hassle-free and premium experience," said Sathyamoorthy Founder of LiveHomes.

Adding to its services, LiveHomes also assists homebuyers with home loans, offering expert guidance to simplify the financing process. With a strong focus on transparency, innovation, and customer satisfaction, the company aims to redefine the real estate and interior design landscape in Chennai.
