Keeping Smiles Healthy for a Lifetime

New York City, New York Feb 10, 2025 ([Issuewire.com](https://www.issuewire.com)) - Alan Rothstein, DDS, FACD, FICD, an accomplished Periodontist, is dedicated to ensuring that smiles remain healthy for a lifetime. With a focus on the prevention, diagnosis, and treatment of gum diseases, as well as the placement of dental implants, Dr. Rothstein has established himself as a leader in the field of Periodontics. As the founder of A R Periodontics, PC in Livingston, New Jersey, he provides his patients with exceptional care tailored to their unique dental needs.

With over three decades of experience, Dr. Rothstein offers a comprehensive range of periodontal treatments including bone grafting, crown lengthening, gum grafting, scaling and root planing, cosmetic periodontal surgery, and dental implant placement. His commitment to personalized care ensures that each patient receives a customized treatment plan designed to meet their specific requirements, making them feel valued and understood.

In addition to his thriving private practice, Dr. Rothstein serves as an Adjunct Assistant Clinical Professor in Periodontics at Rutgers School of Dental Medicine. He also works as an attending dentist at Morristown Medical Center, where he actively contributes to the education and training of future dental professionals.

Dr. Rothstein's journey began in Brooklyn, New York, where he was born and raised in Queens. He graduated with a Bachelor of Arts Degree in Psychology from the State University of New York at Binghamton in 1986. His passion for dentistry led him to Columbia University College of Dental Medicine, where he earned his Doctor of Dental Surgery Degree in 1990, followed by a Certificate in Periodontology in 1992.

A respected member of the dental community, Dr. Rothstein is affiliated with numerous professional organizations, including the American Dental Association, the New Jersey Dental Association, the Essex County Dental Society, the Tri-County Dental Society, and the American Academy of Periodontology. His exemplary service in the field has earned him prestigious accolades, including induction as a Fellow of the International College of Dentists in 2016 and as a Fellow of the American College of Dentists in 2018—honors bestowed upon only 10% of dentists in the United States.

Dr. Rothstein's leadership extends beyond his practice. He has served as President of the Tri-County Dental Society, Trustee for Tri-County, and held various positions within the New Jersey Dental Association, including Treasurer and Chair of the Finance and Investments Committee. From May 2018 to May 2019, he proudly served as the President of the New Jersey Dental Association, advocating for the interests of dentists and promoting public awareness throughout the state.

Throughout his three-decade long career, Dr. Rothstein has engaged in various facets of dentistry, including lecturing, workshop presentations, and consulting for Johnson & Johnson. He has also contributed to the Fortis Institute as an advisory board member in both Wayne and Lawrenceville.

Recognized for his excellence, Dr. Rothstein was selected as one of America's Top Dentists (2005–2006, 2008–2025) and has been honored as one of New Jersey's Top Dentists (2011–2023). His accolades also include Best of Denville (2009–2020), Morris Essex Health & Life Top Dentists (2017–2024), Best of Livingston (2021–2023), and recognition by the International Association of Dentists – Leading Physicians of the World since 2013. He attributes his success to his unique approach to dentistry and his dedication to treating others as he would want to be treated.

Outside of his professional life, Dr. Rothstein enjoys a fulfilling personal life. Happily married to Diane since August 2018, the couple resides in Whippany with their beloved cats, Oliver and Chester. They share a passion for scuba diving, traveling, photography, cheering on the New Jersey Devils hockey team, as well as savoring good food paired with fine wine.

Dr. Rothstein is also a proud father of three—daughters Ilana and Rachel, and son Jonathan. His favorite vacation destinations are those where he and Diane can go diving, and his preferred professional publication is the Journal of Periodontology.
