

Michael Franklin, MD: A Pillar of Neurology Excellence at BayCare Medical Group

Renowned Neurologist Combines Expertise and Passion for Patient Care in St. Petersburg, Florida

New York City, New York Feb 25, 2025 ([Issuewire.com](https://www.issuewire.com)) - Michael Franklin, MD, a distinguished neurologist, is making significant strides in advancing neurological care at BayCare Medical Group Neurology, located at St. Anthony's Hospital in St. Petersburg, Florida. With extensive experience in various neurology specialties, Dr. Franklin is dedicated to providing comprehensive care for patients

with conditions such as multiple sclerosis, headache disorders, and neuromuscular diseases.

Dr. Franklin's medical journey began with his Medical Degree from the SUNY Downstate Medical Center College of Medicine in 1987. His commitment to neurology was solidified through his internship and residency at the SUNY Health Science Center in Brooklyn, where he honed his skills and deepened his knowledge in the field. Upon completing his residency in 1991, he pursued a fellowship in neuromuscular medicine at the Montefiore Medical Center, which he completed in 1992.

A strong advocate for lifelong learning, Dr. Franklin is board-certified in neurology by the American Board of Psychiatry and Neurology (ABPN). He also holds additional board certifications in electrodiagnostic medicine from the American Board of Electrodiagnostic Medicine and in headache medicine from the United Council of Neurologic Subspecialties, showcasing his comprehensive expertise in diagnosing and managing a wide array of neurological disorders.

Dr. Franklin's dedication extends beyond patient care; he actively participates in several professional organizations, including the American Academy of Neurology, the American Association of Neuromuscular & Electrodiagnostic Medicine, and the American Headache Society. His involvement in these organizations allows him to stay updated on the latest advancements in neurology and collaborate with fellow experts to enhance patient outcomes.

"At BayCare Medical Group, we are committed to providing the highest quality of care to our patients," said Dr. Franklin. "I am passionate about employing the latest techniques and treatments to help my patients lead healthier lives."

With his remarkable credentials and unwavering commitment to his patients, Dr. Franklin continues to be a vital asset to the BayCare Medical Group Neurology team. His expertise and compassion ensure that patients receive personalized and effective neurological care in the St. Petersburg community.
