Your Sunshine State Expert in Real Estate and Custom Home Building

New York City, New York Jun 22, 2026 ([IssueWire.com](https://www.IssueWire.com)) - Michael Siebel, a Licensed Realtor with LPT Realty in the Tampa Bay Area, Florida, approaches real estate much the way he once approached ministry — as a calling to serve. A former full-time missionary, Michael sees his work today as building and selling strong homes for families who need a place to grow. He is dedicated to guiding clients through every step of the process, ensuring a seamless experience from negotiations to contract execution. As the Owner and Founder of Siebel Custom Homes in Lutz, Michael is focused on creating

homes that blend beauty and functionality, making him a key player in the local housing market.

With his extensive background as a Certified Building Contractor, Michael possesses in-depth knowledge of construction processes and quality assurance, vital for clients seeking informed decisions in their real estate transactions. He continues to grow his expertise in real estate development, with a long-term vision for projects that strengthen and enrich the local community.

Having grown up in Lutz, Michael has a unique understanding of the importance of building generational wealth through homeownership. His journey includes serving as a full-time missionary with Mercy Ships for four years, where he collaborated with a diverse group of people from 28 countries, working to spread hope across Africa and Europe. This experience has fueled his ambition to serve others, extending beyond professional endeavors to his personal mission of addressing housing needs, including aiding the homeless and those requiring affordable homes.

Michael credits his success to mentorship from industry leaders such as Brian Whalen, Leann Whalen, and Juan Rodriguez, who have significantly influenced his career trajectory. He also draws inspiration from his father, a former accounting professor and real estate investor, whose investment in an apartment building showcased the power of hard work and smart investing.

Outside of work, Michael cherishes time spent with his wife, Marilie, and their twin teenage daughters, who inspire his continuous pursuit of excellence in building and real estate development. As a Christian Minister, he approaches every transaction with integrity and a commitment to serving others. For Michael, real estate is ministry by another name — a way to help build and sell strong homes for families who need a place to grow, and to transform raw land into thriving communities.

Trust Michael Siebel to walk alongside you on your journey to buy, build, flip, rent, or sell your property, ensuring confidence and peace of mind throughout the process.
