

Rest Easy Pest Control Expands Services with New Branch in Hicksville, NY

Hempstead, New York Feb 6, 2025 ([IssueWire.com](https://www.issuewire.com)) - Rest Easy Pest Control, a leading pest management company in NYC, New Jersey, and Pennsylvania, today announced the grand opening of its new branch in Hicksville, NY. This strategic expansion reinforces the company's commitment to providing superior pest control services to residential and commercial clients throughout Nassau County.

The new Hicksville branch offers a comprehensive suite of pest management solutions, including treatments for ants, bed bugs, cockroaches, rodents, wildlife, termites, mosquitoes, and ticks. This expansion enables Rest Easy Pest Control to deliver faster response times and more efficient services to the growing number of Nassau County residents and businesses facing pest-related challenges.

Jeffrey White, Board Certified Entomologist and Co-Owner of Rest Easy Pest Control stated, "Our Hicksville branch represents a significant step in our mission to provide rapid, effective pest control services to Nassau County. We're now better positioned to address the diverse pest management needs of this community promptly and efficiently."

The company is committed to integrating itself into the Hicksville community through various initiatives, including:

- Offering swift pest inspections for local properties
- Conducting educational programs on pest prevention
- Sponsoring local events and sports teams

Jeremy Ecker, Owner of Rest Easy Pest Control, emphasized the company's community-focused approach: "Our success is built on trust and strong relationships. We're not just here to eliminate pests; we're here to contribute to the overall well-being of Hicksville."

Rest Easy Pest Control's Hicksville branch features state-of-the-art, eco-friendly pest control technologies, including advanced detection techniques and Integrated Pest Management (IPM) strategies. These methods ensure effective pest control while prioritizing the safety of families, pets, and the environment.

With this new local presence, Hicksville residents and businesses can expect enhanced services, including faster response times for pest emergencies, flexible scheduling options, and access to certified pest control experts.
