

Ruba Riachy, MD, Joins MetroHealth's Division of Endocrinology, Enhancing Patient Care in Cleveland

Board-Certified Endocrinologist and Educator Committed to Advancing Healthcare and Training the Next Generation of Professionals

New York City, New York Feb 20, 2025 ([IssueWire.com](https://www.issuewire.com)) - MetroHealth is proud to announce that Ruba Riachy, MD, a board-certified and fellowship-trained endocrinologist, has joined its Division of Endocrinology at the MetroHealth Medical Center - Main Campus in Cleveland, Ohio. Dr. Riachy brings a wealth of clinical and academic experience to the team, specializing in diabetes management, thyroid disorders, and metabolic diseases.

Dr. Riachy, who also holds an affiliation with MetroHealth Cleveland Heights Medical Center, is committed to advancing patient care through evidence-based practices and interdisciplinary collaboration. Her patient-centered approach ensures that individuals receive personalized care tailored to their unique health needs.

A 2013 graduate of the University of Balamand Faculty of Medicine and Medical Sciences in Lebanon, Dr. Riachy relocated to the United States to further her medical training. She completed her residency in internal medicine at Case Western Reserve University, followed by a fellowship in endocrinology at The University of Texas Medical Branch. Her extensive education and training have equipped her with the skills necessary to address complex endocrine disorders effectively.

Dr. Riachy is a Diplomate of the American Board of Internal Medicine and is board-certified in both internal medicine and endocrinology, diabetes, and metabolism. Her commitment to the field is further evidenced by her active membership in professional organizations, including the American Association of Clinical Endocrinologists and the Endocrine Society.

In addition to her clinical responsibilities, Dr. Riachy serves as an Assistant Professor at Case Western Reserve University School of Medicine. In this role, she contributes to the education and training of future healthcare professionals, fostering the next generation of endocrinologists.

Fluent in English, Arabic, and French, Dr. Riachy is dedicated to serving a diverse patient population, ensuring that language barriers do not hinder access to high-quality medical care.
