

S Julie-Ann Lloyd MD, Ph.D, FACS, DABOM, FASMB: A Leading Expert in Minimally Invasive and Bariatric Surgery

Educator, Surgeon, Innovator: Transforming Obesity Care and Metabolic Health

New York City, New York Feb 17, 2025 ([Issuewire.com](https://www.issuewire.com)) - The Weight Loss and Metabolic Center at Baylor Medicine is proud to celebrate the continued dedication of S. Julie-Ann Lloyd, MD, PhD, FACS, DABOM, FASMB, a highly skilled and experienced minimally invasive general and bariatric surgeon. Dr. Lloyd brings a wealth of experience and expertise in minimally invasive, robotic, and bariatric surgery, positioning her as a key figure in the treatment of obesity-related diseases.

Dr. Lloyd is dedicated to providing comprehensive, multi-disciplinary care to her patients. Her

specialized focus includes weight-loss surgery, bariatric surgery, hiatal hernia repair, anti-reflux surgery, laparoscopic and robotic surgery, and endoscopy. Utilizing state-of-the-art surgical techniques, Dr. Lloyd is committed to optimizing patient outcomes and improving the quality of life for individuals struggling with obesity.

Dr. Lloyd's impressive academic background includes a Bachelor of Science in Chemistry and a Master of Science in Bioengineering from the Massachusetts Institute of Technology. She further earned her MD and PhD in Cellular and Molecular Medicine from The Johns Hopkins University School of Medicine. Following her rigorous training, Dr. Lloyd completed her residency in general surgery at the Cleveland Clinic Foundation and a clinical fellowship in minimally invasive and bariatric surgery at the University of Pittsburgh Medical Center, where she also served as a Clinical Instructor.

As a Diplomate of both the American Board of Obesity Medicine and the American Board of Surgery, Dr. Lloyd holds the distinction of being a Fellow of the American College of Surgeons and the American Society for Metabolic and Bariatric Surgery. She is an active member of the American Medical Association and the Society of American Gastrointestinal and Endoscopic Surgeons, further emphasizing her commitment to ongoing education and professional development.

In her academic role as an Assistant Professor of Surgery in the Division of Metabolic and Bariatric Surgery at Baylor College of Medicine, Dr. Lloyd is dedicated to training the next generation of surgeons and fostering a culture of excellence in patient care.

A distinguished researcher and educator, Dr. Lloyd's research interests concentrate on the pathophysiology of obesity and enhancing perioperative care protocols. Her commitment to advancing medical knowledge and improving surgical practices underscores her role as a leader in the field of bariatric surgery.
