New York City, New York Feb 13, 2025 ([IssueWire.com](https://www.issuewire.com)) - Shirley Dukart, Owner and Associate Broker of Home and Land Company, has established herself as a leading figure in the real estate industry since 1981. With a wealth of experience and a reputation for exceptional service, Shirley has become the go-to expert for clients seeking guidance in residential homes, expansive farmlands, commercial properties, ranches, recreational land, and lots.

Since obtaining her Broker license in 2005, Shirley has been unwavering in her commitment to representing her client's best interests throughout every step of the transaction process. Licensed in North Dakota, South Dakota, and Montana, she provides comprehensive support that ensures her clients feel confident and informed.

Shirley's philosophy revolves around the belief that real estate is fundamentally about people. Her approach emphasizes building trust and fostering lasting relationships. She takes the time to listen to her client's unique needs, helping them navigate the complexities of the real estate market with ease and professionalism. This dedication has resulted in a loyal client base, with the majority of her business coming from referrals.

Shirley's outstanding contributions to the industry have been recognized through numerous accolades, including being named Realtor of the Year by the Badlands Board of Realtors in both 2003 and 2007, as well as earning the North Dakota State Realtor of the Year title in 2007. In 2021, she was honored with the Philanthropic Award for North Dakota, and in 2022, she received the Dickinson Area Home Builders Association Affiliate of the Year Award. Shirley attributes her sustained success to her commitment to trust, fellowship, and the genuine connections she builds with her clients.

In 2003, alongside Doris Hoff and Diane Duchscher, Shirley co-founded Home and Land Company. Today, with a dedicated team of 16 agents, the company continues to thrive under her leadership. Shirley takes pride in helping clients find properties in a vibrant community that offers a unique blend of country living, outdoor recreation, and economic opportunities.
