

Since 2017, Jet Medical Tourism has set the standard for patient safety and excellence in bariatric surgery.

Transforming Lives Since 2017: Jet Medical Tourism Sets the Standard for Patient Safety and Excellence in Bariatric Surgery in Tijuana

San Diego, California Feb 4, 2025 ([IssueWire.com](https://www.issuewire.com)) - Jet Medical Tourism, a trusted provider of **bariatric surgery procedures** since 2017, is proud to announce enhanced measures to uphold its commitment to patient safety, high-quality care, and international accreditation standards. Based in Tijuana, Mexico, the company has become a global destination for individuals seeking safe, effective, and affordable weight-loss solutions.

Jet Medical Tourism specializes in life-changing bariatric procedures, including **gastric sleeve** and **gastric bypass surgery**. Tijuana has emerged as a top destination for medical tourism due to its proximity to the U.S., advanced healthcare infrastructure, and internationally accredited facilities. Jet Medical Tourism ensures that all partner hospitals and surgical centers in Tijuana adhere to strict safety and care protocols.

Key Highlights of Jet Medical Tourism's Safety and Care Standards:

- **World-Class Surgeons:** All procedures are performed by board-certified bariatric surgeons with extensive expertise in minimally invasive techniques.
- **State-of-the-Art Facilities:** Partner hospitals in Tijuana feature advanced medical technology and maintain strict sterilization and hygiene protocols.
- **Comprehensive Pre-Operative Evaluations:** Patients undergo detailed assessments to ensure eligibility and minimize risks.
- **Post-Surgery Follow-Up:** Customized follow-up care plans are designed to support recovery and long-term success, including diet and lifestyle guidance.

Patient Voices

Jet Medical Tourism has transformed lives by offering bariatric surgery options that prioritize safety and compassion. One patient shared their experience:

"Jet Medical Tourism was a pleasant experience from start to finish. My patient coordinator, Karla, was very open and communicated well. Everything from setup to transportation was coordinated by the company and Karla was always available to answer my questions. The hospital in Mexico was nice, extremely clean, and the staff very professional. I always felt safe. This experience was worth every dime. I highly recommend this company." – Abidemi A., United States

Why Tijuana, Mexico?

Tijuana has established itself as a leading hub for medical tourism, particularly for bariatric surgery. With its proximity to the United States, advanced healthcare facilities, and significantly lower costs compared to U.S. prices, Tijuana offers an ideal combination of accessibility and quality care.

Since 2017, Jet Medical Tourism has been at the forefront of this growing trend, helping patients achieve their weight-loss goals in Tijuana's state-of-the-art facilities while ensuring the highest levels of patient safety and satisfaction.

Jet Medical Tourism invites individuals considering bariatric surgery to explore why Tijuana, Mexico, is the perfect destination for affordable and effective weight-loss solutions.
