

Stephanie Lynne Davidson, DO, FASA Continues Impactful Practice in Pediatric Anesthesia at US Anesthesia Partners

Celebrating Over Two Decades of Excellence in Anesthesia Care in Las Vegas

New York City, New York Feb 21, 2025 ([Issuewire.com](https://www.issuewire.com)) - US Anesthesia Partners is proud to highlight the remarkable contributions of Dr. Stephanie Lynne Davidson, a seasoned anesthesiologist who has been a vital part of our team in the Las Vegas area since 2000. With a comprehensive background in Pediatric Congenital Cardiac and General Pediatric Anesthesia, Dr. Davidson is committed to delivering exceptional care across a diverse range of surgical specialties.*

Dr. Davidson has dedicated her career to ensuring that patients of all ages receive the highest quality anesthetic care. Her expertise encompasses not only pediatric anesthesia but also adult anesthesia services for general surgical, orthopedic, neurosurgery, and adult cardiac procedures. This breadth of experience allows her to provide tailored anesthesia solutions that meet the unique needs of each patient.

Dr. Davidson served a vital role in the Las Vegas Route 91 Harvest Festival shooting in 2017. She has since then given multiple Grand Rounds on both the role of the Anesthesiologist in an Mass Casualty Incident (MCI) and understanding Second Victim Syndrome.

In addition to her clinical practice, Dr. Davidson is passionate about global health and has traveled to various countries to provide pediatric anesthesia in underserved regions. Her commitment to serving these communities is a testament to her belief in the power of medicine to change lives. "The experience is always amazing and life-changing, not only for the patients but for me," Dr. Davidson said. "It's a pure form of medicine delivery for those who might not otherwise receive care."

Dr. Davidson's educational background is impressive. She earned her medical degree from the College of Osteopathic Medicine of the Pacific, completed her internship at Maricopa Medical Center in Phoenix, Arizona, and pursued her anesthesiology residency at the University of California - Davis. Additionally, she completed a Pediatric Fellowship at Denver Children's Hospital from 1999 to 2000. She is board-certified by the American Board of Anesthesiology, affirming her commitment to professional excellence and patient safety.

US Anesthesia Partners takes pride in the caliber of physicians like Dr. Davidson, who embody our mission to provide compassionate, high-quality anesthesia care. Her ongoing contributions to both local and international communities underscore the importance of access to anesthesia services and the profound impact that dedicated healthcare professionals can have on countless lives.
