

Stephen M. Taylor, DDS, DIDIA: Continuing Family Legacy of Exceptional Dentistry at Taylor Dental & Implant Center

Combining Advanced Training with Compassionate Care to Serve the Community

New York City, New York Feb 28, 2025 ([Issuewire.com](https://www.issuewire.com)) - Taylor Dental & Implant Center is proud to announce that Dr. Stephen Taylor continues to uphold the family tradition of excellence in dentistry, practicing alongside his father, Dr. Jim Taylor. With a commitment to providing exceptional patient care, Dr. Stephen Taylor brings a wealth of knowledge and expertise to the practice, ensuring that the community receives the highest level of dental services.

A distinguished graduate of the University of Oklahoma, Dr. Stephen Taylor earned his Bachelor of Science in Chemistry, graduating summa cum laude and as a member of Phi Beta Kappa. He then pursued his passion for dentistry at the University of Oklahoma College of Dentistry, graduating in 2010. His dedication to the field is evident in the extensive training he has undertaken, including earning both his fellowship and mastership awards from the International Dental Implant Association (IDIA).

Dr. Taylor has devoted thousands of hours to advanced training in implantology and oral surgery, focusing on comprehensive care from single-tooth restorations to full-arch rehabilitation. His exceptional skills and commitment to continuous improvement have earned him the prestigious Diplomate Award from the IDIA, reflecting his status as a leader in the field of dental implants.

In addition to providing top-notch dental care, Dr. Taylor is passionate about community outreach. He actively networks with local entrepreneurs and professional groups to promote oral health education in schools and community centers. His dedication to service extends beyond borders, as he has participated in multiple dental missions to the Dominican Republic, where he has performed implant placements, bone grafts, and oral surgeries, bringing much-needed care to underserved populations.

At Taylor Dental & Implant Center, Dr. Stephen Taylor's philosophy is centered on building strong, relationship-driven connections with patients. He aims to create a welcoming environment where families can receive comprehensive dental care tailored to their individual needs.

Outside of his professional pursuits, Dr. Taylor shares a fulfilling life with his wife, whom he met in college, and their three sons. The family enjoys spending quality time together, especially watching their boys play soccer.
