

T & H Maths Centre and Spirit of Math Partner to Bring International Spirit of Math Contest to Myanmar

For 2025-26 School Year

Toronto, Ontario Sep 25, 2025 ([IssueWire.com](https://www.issuewire.com)) - [T & H Maths Centre](https://www.tandh-mathscentre.com) and Spirit of Math are excited to announce a new partnership that will introduce the International Spirit of Math Contest to Myanmar for the 2025-26 school year.

“At Spirit of Math, our mission is to empower students by exposing them to innovative and challenging ways of thinking,” said Kim Langen. “We admire T & H Maths Centre for their outstanding work in fostering creativity, critical thinking, and resilience among their students.”

T & H Maths Centre has been a trailblazer in enhancing educational opportunities in Myanmar, providing high-quality and accessible learning experiences. Their emphasis on innovative teaching methods and a supportive learning environment aims to ignite a passion for learning and equip students with essential skills for personal and professional success. By nurturing future leaders and thinkers, T & H Maths Centre is making a significant impact on the country’s development.

“We are thrilled to collaborate with Spirit of Math to bring this incredible opportunity to students in Myanmar,” said Hnin Set Aye, Founder and Principal at T & H Maths Centre. “As an educator, I recognize the profound educational and inspirational benefits that the International Spirit of Math Contest can offer to children on their educational journeys.”

This partnership is one of many collaborations Spirit of Math is undertaking with international organizations to bring the International Spirit of Math Contest to every corner of the globe. Competitive events like these provide children with an excellent opportunity to develop important skills such as analysis, problem-solving, and critical thinking. They also gain personal satisfaction and a motivational boost from tackling and conquering some of the most challenging questions.
