

Tamara Davydova, FNP, MSN, WCC, OMS: Leading the Change in Wound Care and Ostomy Management at Bronx Care Health System

New York Nurse Combines Expertise with Compassion to Enhance Patient Care

New York City, New York Feb 7, 2025 ([Issuewire.com](https://www.issuewire.com)) - Tamara Davydova, FNP, MSN, WCC, OMS, is making significant strides in the field of nursing as the Director of Wound Care and Ostomy at Bronx Care Health System. With a robust educational background and a commitment to patient advocacy, Tamara is dedicated to improving the quality of life for her patients through innovative wound care solutions and compassionate support.

Tamara's journey in the nursing profession began at the New York City College of Technology, where she earned her Associate's Degree in Nursing in 2009. Her passion for nursing propelled her to further her education, culminating in a Bachelor of Science in Nursing Degree from SUNY Downstate Medical Center in 2012. Most recently, she completed her Master of Science in Nursing Degree with a focus on Family Nurse Practitioner from Long Island University in 2024, showcasing her ongoing commitment to professional development and excellence in patient care.

As an esteemed member of the Metro NY and WOCN Society, Tamara holds a Wound Care Certification, a testament to her specialized knowledge in the assessment, treatment, and management of complex wounds. This certification not only reinforces her expertise but also provides her with the tools necessary to lead her team in delivering high-quality care to patients in the Bronx community.

Tamara lives by her motto, "Keep moving forward," which encapsulates her approach to overcoming challenges and supporting her patients. Driven by a desire to help others, she strives to be an advocate for her patients, ensuring they receive the care and support they need during their most vulnerable times.

In her role at Bronx Care Health System, Tamara embodies the core values of communication, safety, and trust, fostering strong relationships with her patients and colleagues alike. Her leadership and dedication make her an invaluable asset to the nursing profession and a beacon of hope for those she serves.

In recognition of her contributions to nursing and patient care, Tamara Davydova is not just a leader in her field but also a compassionate advocate for her patients, ensuring they receive the best possible care in the Bronx, New York.
