

The Queensland DJ, Christian Krauter Is Bringing Back the Vibe With New Tracks

The epitome of electronic dance music, lovingly known as the Queensland DJ, Christian Krauter is back again with some of the most banging beats his fans have heard.

Brisbane, Queensland Feb 10, 2025 ([Issuewire.com](https://www.issuewire.com)) - From a pillar of dance music, people expect a legacy and a background of musical technicalities. Despite all of these, right now the music industry is humming only one name and it is none other than **Queensland DJ**. This is definitely the stage name for the epitome of EDM, **Christian Krauter**. For decades, this incredibly talented music producer has made the world dance like there is no tomorrow, and recently he has dropped two of his most insane creations so far. The new tracks are called '**LovingU**' and '**House Howl**', both of which are absolute bangers. The immense global recognition this DJ has earned yet so far is set to touch the sky with the two new hot tracks.

The magnificent [Queensland DJ](#) presents his fans with the ultimate destination for an eclectic range of electronic beats. This message has been delivered clearly through his new track '[LovingU](#)' which is a bass buster accompanied by a groovy feel, addictive synth, clubby beats, Vox, and an unusual drop that will make the minds of the audience wonder about the great sense of music this individual artist holds. The other new track released by **Christian Krauter** is called '[House Howl](#)' which is a melodic house howl that is touched up by incredible bass rhythm, slashing synths, and a focus on analog effects to add depth to the track.

The new tracks give the audience to dive into an expansive library where genres blend and musical boundaries are redefined. They present the option to explore an array of mixes, meticulously curated

only for his fans' listening pleasure. Apart from the new track, this DJ has created several other tracks like 'astronaut of my mind', 'sensations', 'do you miss me too', 'you are my sunshine', 'big shot', and many more which have become a memorable part of his discography. All of the tracks are available on **SoundCloud** and fans can get updates about his upcoming projects through his social media profiles on **Facebook**, **Instagram**, **Twitter**, **YouTube**, **Spotify**, **Apple Music**, and his [website](#).
