

THINKWARE Launches Limited-Time President's Day Dash Cam Deals

The graphic features a dark blue background with a border of red and white stripes and white stars, reminiscent of the American flag. At the top center is the Amazon logo, consisting of the word "amazon" in white with a yellow smile arrow. Below it, the words "PRESIDENT'S" and "DAY" are written in large, bold, white capital letters, separated by three horizontal white lines. Underneath this, the text "★ Launches Limited-Time Deals ★" is displayed in white. A white rounded rectangle contains the dates "Feb 17 - 23, 2025" in blue. Below the dates, four different models of black Thinkware dash cams are shown, including one with a "RADAR" sensor. At the bottom, the text "THINKWARE DASH CAM™" is written in white capital letters.

THINKWARE DASH CAM™

San Francisco, California Feb 17, 2025 ([Issuewire.com](https://www.issuewire.com)) - THINKWARE, a world-leading dash cam brand, is celebrating President's Day with exclusive deals on its top-rated dash cams. From February 17th to February 23rd, customers can take advantage of significant discounts on a wide range of THINKWARE products, making it an ideal time to invest in advanced vehicle security.

These special offers will be available on THINKWARE's official website, Amazon, and select online and specialty retailers. Featured discounts include:

U3000: \$379.99 (MSRP: \$429.99) - A cutting-edge dash cam that revolutionizes parking surveillance with features such as 4K UHD, Super Night Vision 4.0, ADAS, advanced parking protection, built-in RADAR technology, and built-in Wi-Fi and Bluetooth connectivity.

ARC: \$179.99 (MSRP: \$279.99) - THINKWARE's latest release and most compact dash cam yet. This 2-channel system offers 2K 1440P QHD quality, Super Night Vision 2.0, built-in Wi-Fi, Smart Driving Alerts, a 2.7" LCD touchscreen display, and more.

Q200: Front + Rear Dash Cam: \$169.99 (MSRP: \$199.99) - The Q200 offers 2K QHD Front and 1080P Rear resolution, built-in Wi-Fi and Bluetooth connectivity, Smart Parking Mode, Super Night Vision 2.0, and more.

F70 PRO: \$79.99 (MSRP: \$99.99) Compact yet uncompromising in protection, the F70 PRO offers Full HD 1080P footage with wide dynamic range (WDR) technology. It captures high-definition 140° wide-angle videos at 30fps, features Super Night Vision (Parking Surveillance mode only), and includes built-in Wi-Fi.

THINKWARE's President's Day promotion also features additional dash cams and accessories, including the Q200 1CH (\$119.99) and the iVolt Mini Battery Pack (\$209.99).

Exclusive dash-cam plus battery bundle deals are also available, including the U3000 2CH model paired with the iVolt Xtra External Battery (\$849.99) and THINKWARE's Q200 2CH Rideshare Bundle available for \$169.99.

THINKWARE Global IT Corporation THINKWARE DASH CAM was founded in Korea in 1997. Through consistent research and development in the field of smart car technologies, THINKWARE DASH CAM has established itself as the market leader in various sectors such as dash cams, electronic maps, navigation, mobile applications, and tablet PCs.

Spearheading the competition with world-class image processing technologies and an intuitive, user-friendly interface, THINKWARE DASH CAM debuted in the US market in 2014. THINKWARE DASH CAM has confirmed it will be exporting its DASH CAM lines into 17 other countries including the US, Canada, the UK, and Japan.

THINKWARE DASH CAM has continued to astound the industry with its world-class DASH CAM lines during its presence at global exhibitions like CES, SEMA, and The Gadget Show Live. At CES 2017, the world's largest consumer electronics show, THINKWARE received the Innovation Award of the Year for excellence in technology and design. The company has also received the IF, IDEA, and Red Dot Design Award.
