

Toolagen Welcomes Sandeep Mimani as Head of Operations to Drive Strategic Growth

Redhill, Surrey Feb 17, 2025 ([IssueWire.com](https://www.issuewire.com)) - Toolagen, a pioneering Startup Studio based in the UK, known for its innovative approach to building and scaling SaaS businesses, is pleased to announce the appointment of Sandeep Mimani as the new Head of Operations. With a rich background in the finance and banking sectors, Sandeep brings a wealth of experience and expertise to Toolagen's dynamic team.

Sandeep's illustrious career includes significant roles at prestigious global banks managing large-scale software development teams. His extensive experience in operations management and strategic planning is expected to play a pivotal role in enhancing Toolagen's operational efficiency and strategic growth.

Toolagen, headquartered in the UK with development centres in India, leverages the strengths of both locations to foster innovation and rapid scaling of its portfolio companies. The addition of Sandeep to the leadership team is anticipated to further strengthen Toolagen's operational capabilities, aligning with its mission to deliver cutting-edge solutions in the fields of Finance & Banking Services, Insuretech Technology, and Artificial Intelligence.

“We are thrilled to have Sandeep join our team at this exciting time. We are seeing significant demand for expanding our development teams in India from our partners,” said Amar Galla, CEO of Toolagen. “His vast experience and proven track record in the enterprise sector will be invaluable as we continue to expand our operations and drive innovation across our portfolio companies.”

Sandeep’s appointment is a strategic move by Toolagen to bolster its operational framework and support its ambitious growth plans. His leadership is expected to enhance the synergy between Toolagen’s UK and India operations, ensuring seamless integration and execution of strategic initiatives.

As Toolagen continues to push the boundaries of innovation in the startup ecosystem, Sandeep’s expertise will be instrumental in navigating the complexities of the global market and achieving sustainable growth. His vision for operational excellence aligns perfectly with Toolagen’s commitment to delivering exceptional value to its clients and stakeholders.

About Toolagen

Toolagen is a unique bootstrapped Startup Studio headquartered in the UK and has its own development centre in India. We combine the best of both worlds to build and scale innovative SaaS businesses. We help our portfolio companies and partners achieve fast scale using our India operations along with strategic and technology alignment using our UK experts.
