

Trimellogic USA Announces Official Rebranding to Trimellogic LLC

Leading Home Renovation Company Rebrands to Trimellogic LLC, Reinforcing Commitment to Excellence and Growth

Buford, Georgia Feb 24, 2025 ([IssueWire.com](https://www.issuewire.com)) - Trimellogic USA, a trusted name in home renovation and remodeling services for over 26 years, is excited to announce its official rebranding to Trimellogic LLC. This change reflects the company's continued commitment to excellence and growth while maintaining the same high standards of service that homeowners in Gwinnett County and surrounding

areas have come to trust.

As experienced home renovation consultants, Trimelogic LLC specializes in transforming houses into dream homes with expert craftsmanship, innovative design, and customer-focused solutions. The transition from Trimelogic USA to Trimelogic LLC is a strategic move that ensures the company remains well-positioned for expansion and further enhancement of its services.

“This rebranding marks a significant milestone for our company,” said Alex Porras, business owner of Trimelogic LLC. “While our name has changed, our mission remains the same—to provide exceptional, affordable, and high-quality home renovation services to our valued clients. We are committed to making home improvement projects seamless, stress-free, and rewarding.”

The name change will not impact the company’s operations, leadership, or dedication to superior customer service. Clients can continue to expect the same professionalism, transparency, and top-tier workmanship that have defined Trimelogic’s reputation over the years.
