

TULS Corp Pvt. Ltd. Celebrates Incorporation Day on February 14 2025

Honoring achievements, uplifting the next generation, and fostering a culture of care.

Thane, Maharashtra Feb 16, 2025 ([Issuewire.com](https://www.issuewire.com)) - TULS Corp Pvt. Ltd. (www.tulsgroup.com), a leading renewable energy consulting company based in India, proudly celebrates its Incorporation Day on February 14. This milestone reflects the organization's ongoing commitment to driving sustainable energy solutions, while also underscoring its dedication to giving back through community-focused activities.

A Milestone in Renewable Energy Consulting

Since its inception, TULS Corp has provided comprehensive consulting services for Solar(Ground mount, Rooftop & Floating), Wind, Hybrid, EV and other clean energy solutions—positioning itself as a trusted name in the industry. The company's track record of innovation, client-centric approach, and global partnerships continues to guide its mission of shaping a cleaner and more sustainable future.

"Today marks a **significant moment** for all of us at TULS Corp," said **Mr. Vaibhav Satpute**, CEO of

TULS Corp Pvt. Ltd. and an ADB expert who has also contributed to renewable projects financed by the African Development Bank and the European Union. “Not only do we celebrate our success in advancing renewable energy solutions, but we also strengthen our bond with the community through meaningful acts of kindness and support.”

Special Incorporation Day Events

To commemorate the occasion, TULS Corp initiated two major programs that highlight the company’s core values of gratitude, compassion, and empowerment:

- **Kindness Act**
- **Distribution of Wristwatches & Sweets:** TULS Corp employees (affectionately known as “TULSites”) & Take Care Foundation delivered wrist watches and sweets to security personnel serving at locations where TULSites reside, work, or frequently visit. The purpose was to show appreciation for the unwavering dedication of these often-unsung community protectors.
- **Felicitation of TULSite Kids**
- **Awards & Recognition:** In a special ceremony, TULSite children—**Mahi** Minakshi Harish Kharche, **Sarthak** Sunita Shailesh Sawant, and **Niraag** Nisha Anurag Singh—were honored with trophies, certificates of appreciation, and memorable gifts to celebrate their achievements. The panel of judges—**Rahul**, **Navnath**, **Rigved**, and **Jayesh**—played a pivotal role in encouraging and recognizing the talents of the young achievers.
- **Gifts for All TULS Employees:** As part of the celebration, every TULS employee received a gift, reaffirming the company’s commitment to fostering a cohesive and supportive workplace culture. Thereafter, everyone commemorated the moment by cutting cake and enjoying a sumptuous lunch at an upmarket restaurant.

Strengthening Community & Team

By integrating social outreach and employee engagement into its Incorporation Day festivities, TULS Corp continues to nurture an environment where trust, responsibility, and celebration of individual potential are paramount. Over the years, TULS Corp has expanded its project portfolio, promoted collaborative innovation, and championed social responsibility, solidifying its reputation as a socially conscious enterprise.

Looking Ahead

As part of its forward-looking strategy, TULS Corp plans to deepen its focus on emerging technologies such as energy storage, microgrids, and green hydrogen, while continuing to invest in community-forward initiatives. With a vision rooted in sustainable progress, the company seeks to create lasting positive impacts—both in the renewable energy sector and beyond. The company intends to obtain 20% of its revenue from overseas operations.

About TULS Corp Pvt. Ltd.

Headquartered in India, TULS Corp Pvt. Ltd. is a leading renewable energy consulting firm that has advised over **150** clients—**40% of whom are repeat customers**—and exported its services to **25** countries.
