Valerie Howard: Your Trusted Realtor Specializing in Historic Properties in Peachtree City, Georgia

New York City, New York Feb 16, 2025 ([Issuewire.com](https://www.issuewire.com)) - Berkshire Hathaway HomeServices Georgia proudly announces the remarkable achievements and extensive expertise of Valerie Howard, ALC, LHC, a top-producing REALTOR® with over 18 years of experience in the real estate market. Valerie leads with her signature LAND & Luxury brand, specializing in high-value tracts, farms, and estates as well as distinguished luxury residences across Georgia.

A graduate of Georgia Tech with a degree in Information and Computer Science, Valerie's career path reflects both entrepreneurial grit and technical precision. After running a successful technology-based

presentation company for 12 years, she transitioned into real estate by investing in foreclosures and the development of land tracts, gaining firsthand knowledge of renovations, subdivisions, and financial modeling. This foundation allows her to provide clients with strategic insight into the true value and potential of land and real estate holdings.

Valerie is one of fewer than 800 REALTORS® nationwide to earn the prestigious Accredited Land Consultant (ALC) designation from the Realtors Land Institute, underscoring her elite expertise in land brokerage. She also holds the Luxury Homes Certification (LHC), positioning her as a trusted advisor for clients navigating the complexities of multi-million-dollar estates. In addition, Modern Luxury Interiors Atlanta recognized her in 2024 as “Best Historic Property Expert,” a reflection of her ability to market and sell unique legacy homes, which complement but do not define her broader land and luxury focus.

Her investment background, including extensive work with land subdivisions and 1031 exchanges, equips clients with sophisticated financial strategies for both personal and investment transactions. Backed by Berkshire Hathaway’s global network and Luxury Collection marketing platform, Valerie combines cutting-edge AI-driven marketing, drone mapping, and data analytics with personalized service and principled negotiation.

Beyond her real estate practice, Valerie is a lifelong athlete who has completed nearly 90 marathons, including 13 Boston Marathons, and is an Ironman finisher. She serves as President of the Atlanta Youth Running Foundation, supporting youth running programs throughout the region. The perseverance and focus she brings to athletics mirror the tenacity and advocacy she delivers to her clients.

Valerie Howard stands out in the competitive real estate landscape for her unmatched combination of land expertise, luxury marketing acumen, and unwavering client-first integrity. Whether buying, selling, or investing, clients trust Valerie to deliver exceptional results with the highest level of professionalism.
