

Vlada Vladykina opens a new makeup school in Amsterdam

Vlada Vladykina opens a new makeup school in Amsterdam - learn makeup from Beginner to Pro

Amsterdam, Netherlands Mar 21, 2025 ([IssueWire.com](https://www.issuewire.com)) - The beauty industry in Amsterdam just got an exciting new addition! Acclaimed [makeup artist Vlada Vladykina](#) has officially launched the **Vlada Vladykina Makeup School**, a premier destination for anyone looking to enhance their makeup skills—whether for personal use or a professional career.

The school offers a variety of courses tailored to different skill levels, providing both **offline and online training**. Students can choose between **individual and group classes**, allowing for a flexible and customized learning experience.

Courses Available:

- **Makeup Course for Yourself** – Designed for individuals who want to learn professional makeup techniques to enhance their daily beauty routine. This course covers essential skills such as choosing the right products, creating flawless skin, and mastering different makeup looks for any occasion.
- **Professional Makeup Artist Course** – A comprehensive program for those who want to start a career in the beauty industry. The course includes in-depth training on advanced makeup techniques, color theory, working with different skin types, and the business aspects of being a professional makeup artist.
- **Masterclass – Basics of Makeup** – A great option for beginners who want to build a strong foundation in makeup artistry. This class covers essential techniques such as blending, contouring, and creating a natural or glamorous look.

Why Choose Vlada Vladykina Makeup School?

With years of experience in the beauty industry, Vlada Vladykina brings her expertise and passion for makeup artistry to her students. The school's **personalized approach** ensures that each student receives hands-on guidance, whether they are attending classes in Amsterdam or participating in online lessons from anywhere in the world.

"We believe that makeup is an art form that anyone can learn with the right techniques and training. Whether you want to improve your own makeup skills or become a professional artist, our school provides the knowledge and practice needed to succeed," says Vlada Vladykina.

Enroll Now!

The courses are open to **all skill levels**, from complete beginners to those looking to refine their expertise. To learn more about the courses and schedule, visit makeupschool.nl and start your makeup journey today!
